

The Amazing Son In Law (Charlie Wade)

Chapter 3493)

If you let this guy go out and let this guy make a call to the top, then all the plans of Wanlong Palace will be revealed in advance;

Once it was revealed, the Wanlong Palace had no choice but to get out of Syria.

In that way, more than 2,500 lives and all military expenditures for so many days will be completely wiped out;

But if the Wanlong Temple refuses to retreat, it can only tear itself apart with Syria.

But once the Wanlong Temple and Syria are tit-for-tat, it is equivalent to the Wanlong Temple invading a sovereign country.

The entire world will not allow this to happen, and the Wanlong Temple will surely become a target of public criticism!

Thinking of this, Chen thought of a solution deep in his heart!

He believes: "The only three people here know what the surname Wade said just now, and there is no recording equipment in this room. Therefore, as long as I kill both of them, I can ensure that The true purpose of the Dragon Palace will not be exposed!"

"As for how to explain to the government army after killing these two people, you can give the surname Wade, so that he is the assassin sent by Hunter (Hamid) to assassinate the assassin. He killed the government army commander first, and then They are ready to kill me again, and I will kill them in the end!"

"Yes! Just do it! This is the only way to solve the problem!"

At this point, Chen quickly stood up, stared at the government commander, and said coldly: "No going out!"

The government commander stepped back subconsciously, and asked in a cold voice, "Chen, what do you mean?"

"What do you mean?" Chen grinned and gritted his teeth: "I want your life!"

After that, he suddenly launched an attack on the opponent, and his figure rushed forward at an extremely fast speed. His movements were so fast that ordinary people could hardly see it with the naked eye.

And the commander of the government army was just an ordinary person, and he didn't realize that Chen would suddenly attack him!

Before he could make a dodge action, Chen punched his heart, and instantly severely injured his heart!

The commander of the government forces instantly foamed at his mouth, and his entire face became ashen. He stared at Chen and whimpered: "Chen, you..."

Before he finished speaking the rest of the words, he cast his eyes and passed out.

As Charlie watched Chen's death with this fierce blow, his brows frowned, and his contempt for martial arts masters grew a little bit more in his heart.

Because He is a six-star warrior like Chen, who also relies on the strength and speed of his body beyond ordinary people to strike the enemy at the material level.

Chen does have a strong internal force in his body, but there is no sign of aura.

From this perspective, he is still very different from himself.

After killing the government army commander, Chen immediately turned to look at Charlie. Seeing that Charlie was not afraid at all, he couldn't help but be a little surprised.

However, he quickly put the surprise behind him, and his figure quickly flashed in front of Charlie, and said coldly: "The surname is Wade! Have you ever thought that one day you will die by talking too much?!"

Charlie didn't put the other person in his eyes, and the corners of his mouth rose slightly, and said with a smile: "Sorry, I can tell the fortune, and my life shows that I will not die by talking too much."

Chen stared at Charlie, and asked in a cold voice: "Aren't you afraid that I would kill you at all?"

Charlie smiled and said: "Then you have to kill me. Do you think you can kill me at your level?"

Chen sternly said: "Boy! You really don't know how to repent when you die! I am one of the four kings of the Wanlong Palace, a six-star warrior! In the Wanlong Palace, my strength is second only to the Lord! Killing you this kind of rubbish, It's easy!"

Charlie couldn't help but sarcastically said: "f*ck, six-star warrior, you are so f*cking awesome!"
