

## Chapter 3514

At the same time.

Harmen, who was already prepared and intended to fight Charlie with all his might, saw that Charlie was unprepared and said with a cold smile, "Kid, why aren't you mobilizing your internal force? Are you not going to resist?"

The most powerful point of a martial artist was having internal force, and with the enhancement of internal force, their body strength, agility, and striking strength would all increase geometrically.

It was because internal force was the martial artist's origin power, so every martial artist had to transport internal force to their hands and feet before attacking in order to exert the strongest combat power.

However, Harmen did not know that Charlie did not need the so-called internal force at all.

At this moment, his body was filled with spiritual energy, and this kind of energy was an existence that martial artists could not even touch.

So, he yawned and said to Harmen, "You are really too inquisitive, if you want to fight, just fight, what are you yakking about in one sentence?"

"Grass!" Harmen was humiliated by Charlie in public, he was already extremely angry and said through clenched teeth,

"I'm fcuking kind enough to let you make the first move, but you still don't fcuking appreciate it, since that's the case, don't blame me for not being merciful!"

As soon as the words left his mouth, Harmen immediately attacked Charlie!

The strength of a six-star martial artist is not a cover, Harmen suddenly struck, his body was so fast that everyone on Charlie's side could not even see it clearly.

Very fast speed with very strong strength, this punch even made a sound of breaking air, at first glance is fierce!

This is the power of the six-star martial artist, Luther, a four-star martial artist who only needs to look, from the depths of the heart can not help but be filled with despair.

The ninjas of the four great families, at this moment also completely frozen, just one action of Harmen, the strength displayed has exceeded them by more than one level!

Everyone immediately looked at Charlie, they wanted to know what kind of method Charlie was planning to use to deal with such a fierce attack.

However, beyond everyone's expectations, Charlie did not move at all.

Even though he saw Harmen's right fist, fiercely attacked Charlie's chest.

The breaking sound of the heavy fist was like a whistling cannonball, causing everyone's expression to tighten.

Seeing him exerting all his strength, Joseph was afraid that he would kill Charlie with one punch, so he subconsciously shouted, "Harmen, leave him a ....."

Joseph wanted to say leave him a life, but before he could say the word life, he was immediately stunned by the sight before him!

Only to see Harmen's right fist had by now struck a full-force blow, and suddenly stopped at a position less than twenty centimeters from Charlie's chest.

Neither the people behind Harmen nor the people behind Charlie saw Harmen's right fist, which had been tightly grasped by Charlie with one hand!

And at that moment, Harmen's expression was already appalled!

On his fierce face, a three-year-old child-like astonishment and trepidation appeared.

He couldn't understand why his full-strength strike would be so easily grabbed by Charlie.

And what was even more outrageous was that the moment he was grabbed, the force of thousands of pounds gathered on his arm disappeared out of thin air.

This feeling is like a person jumping from a height of 10,000 meters, as the acceleration of gravity becomes stronger and stronger, the speed and strength also become greater and greater.

However, just when the speed and strength reached the extreme, the whole person suddenly fell into weightlessness similar to that in space, the big difference between before and after is simply subverting common sense!

Everyone, including Joseph, were also shocked beyond addition!

Anyone can see that just now Harmen's punch was a thousand pounds strong!

Joseph was even afraid that his punch would shatter all of Charlie's internal organs!

However, this is comparable to the attack of Mars hitting the earth, but was silently dissipated by Charlie with a single lift of his hand, this ..... this is simply unimaginable!

Everyone there still does not understand, why?!

Charlie's contemptuous smile, to Harmen, he coldly shouted: "Waste! I see that you are also a big man, why are you still as weak as a snail? Hurry up and use all your mother's strength for me! Come again!"
