

## Chapter 1309

When Darryl's gaze landed on Lu Bu's crystal coffin, he was delighted by what he saw.

Lu Bu was lying in the coffin with his hands crossed on his chest, and a shiny gold light appeared underneath his hands. It looked like a transparent golden crystal ball.

Darryl could feel that the gold crystal ball carried special power in it.

'What is that?' Darryl squeezed his brows. He was curious and had a lot of doubts.

'This is not right. The myth was that Lu Bu's ultimate technique, Blood Battle Eight Directions Scripture, was with him in the coffin. Why is there a golden crystal ball instead and nothing else? Where is the scripture?' he wondered.

Darryl looked at Zhu Bajie and asked, "Brother Zhu, where are the Blood Battle Eight Directions? Why is there only a golden crystal ball?"

Eight Directions technique is not only a golden crystal ball?”

Zhu Bajie laughed immediately as he pointed at the golden crystal ball and said seriously, “Brother Darryl, do you know what that is? That is the Spiritual Pearl!”

‘Spiritual Pearl?’ Darryl was stunned when he heard that word.

Debra, who was beside him, looked puzzled too.

Seeing their reactions, Zhu Bajie smiled and continued, “Do you all know that after a high-level monk passes away, his body will produce relics? This Spiritual Pearl is similar to a relic. It was produced after Lu Bu passed away! The Blood Battle Eight Directions technique is hidden within it. You hold the pearl in your hands and transfer your internal energy into it, and the Blood Battle Eight Directions technique scripture will automatically be transferred into your mind, understand?”

‘Sh\*t! That amazing,’ Darryl thought, delighted. ‘That means the Blood Battle Eight Direction technique is right in front

Eight Direction. It is right in front of my eyes, and I can get it easily?’

As he thought of that, he heard Zhu Bajie laugh and said, “Brother, you are very talented. I will not fight with you for the Blood Battle Eight Direction technique. I shall continue to enjoy the greatest beauty of the world.”

As he spoke, Zhu Bajie’s vision turned to Diaochan’s body. His eyes were locked on her.

The truth was Zhu Bajie had originally planned to steal the Blood Battle Eight Direction. However, he knew that without Darryl, he would not have gotten there so easily.

Besides, Zhu Bajie needed to be careful of his status in society. It would be tarnished if he fought with Darryl over it.

Most importantly, ever since he saw Diaochan, Zhu Bajie lost his soul. All of his focus was on the beautiful lady. He was no longer eager to cultivate the Blood Battle Eight Direction anymore.

“Thank you, Brother Zhu!” Darryl was delighted. He thanked him and went on to

"Thank you, Brother Liu." Darryl was delighted. He thanked him and went on to remove the cover of the crystal coffin.

"Ewan, what shall we do?" At the bottom of the altar, Rachel, looking worried, shouted at Ewan as she watched the scene unfold. "Darryl is about to get the Blood Battle Eight Direction. We won't get a chance to take it."

Ewan did not reply but clenched his fists tight; he was frustrated.

'How can I do this? I will have completely no chance once Darryl takes the Spiritual Pearl. Rachel and I won't be able to defeat Darryl, Debra, Zhu Bajie, and who else is with them.'

He could not steal it from them nor take it from them.

'Does that mean I have to watch this technique slip through my fingers?'

Ewan was not satisfied with this outcome. He clenched his fists and stared at the Spiritual Pearl. His nails pierced into his palms, and he was sweating profusely.

## Chapter 1310

Darryl did not notice Ewan's reaction. At that moment, Darryl walked towards Lu Bu's crystal coffin and opened the cover.

Crack!

He reached out his hand after opening the cover and was about to pick up the Spiritual Pearl.

"Hey, what's that?" Zhu Bajie shouted in surprise as he rushed towards Lu Bu's coffin.

Inside the coffin, besides the Spiritual Pearl, he saw a little golden box. The box had unique engravings, and it was definitely not an everyday item.

Darryl's focus was attracted by the box instantly. He paused his hand and went closer. "Brother Zhu, what is in the little golden box? Open it quickly."

At the same time, Debra was looking closely at the little golden box too. She was full of curiosity.

"Alright!" Zhu Bajie nodded his head and

“Alright!” Zhu Bajie nodded his head and opened the golden box.

The moment they saw what was inside the box, the three of them were stunned. Especially Darryl. A shiver had run through his whole body as his eyes burned.

They saw a gold elixir lying inside the box. The elixir was releasing a very nice smell and contained a pure spiritual aura.

“Mystic Sky Golden Elixir?!” Darryl could not help but shout.

The Mystic Sky Golden Elixir was the rarest elixir in the Infinite Elixir Manual. It contained the aura from heaven and earth and had the ability of resurrection. However, the ingredients required to produce it was extremely rare!

Although Darryl knew its production method, he had never been able to gather all the ingredients, and therefore had never produced it before.

“Mystic Sky Golden Elixir?” Zhu Bajie looked puzzled as he looked at Darryl. “Brother, do you know what it is?”

looked puzzled at Darryl. "Brother, do you know what it is?"

Debra was also looking closely at Darryl, her eyes full of questions.

Both of them did not have any knowledge about producing elixirs, so naturally, they did not know anything about this rare elixir.

Darryl took a deep breath and said, "This elixir is extremely rare. It can resurrect anyone from death! I'm afraid this is the only one in the whole world."

He added solemnly, "There's only one Mystic Sky Golden Elixir here. It's obvious that when Lu Bu and Diaochan knew they were about to die, they wished for the other party to consume the elixir and continue to live. However, both of them refused to live on alone; hence the elixir had been kept until today."

Feeling envious, he sighed, "To live and die together, this is something to be envious about!"

Darryl was right. During ancient times, Lu Bu had dominated and led the world. Finally, during a battle, Lu Bu and

Lu Bu had done the world. Finally, during a battle, Lu Bu and Diaochan were both severely injured as they left the battlefield and knew they would not live. At that time, Lu Bu had one Mystic Sky Golden Elixir with him. That elixir could resurrect anyone, but there was only one elixir, so they had both died as neither wanted to live alone.

At that moment, Debra bit her lips, pulling on Darryl's arm as she said, "Darryl if something happens to you one day, I would not want to live on alone too!"

Darryl felt touched but thought it was funny at the same time. He could not help but pinch her nose. "Silly girl, your husband will not die. I still want to have a dozen babies with you."

In an instant, Debra blushed as she glared at Darryl. "Brother Zhu is here. Can you just behave yourself?"

"When can Darryl behave himself?!" Zhu Bajie laughed and shook his hands. "Don't worry; you two just pretend like I'm not here. You can be as intimate as you wish!"

'When can Darryl behave himself?!" Zhu Bajie laughed and shook his hands. "Don't worry; you two just pretend like I'm not here. You can be as intimate as you wish!"

As he said that, Zhu Bajie picked up the golden elixir and asked Darryl, "Brother, from what you've said, could this Mystic Sky Golden Elixir resurrect Lu Bu or Diaochan?"

## Chapter 1311

As he spoke, Zhu Bajie was desperate.

Darryl nodded. "Technically, it can. However, the Mystic Sky Golden Elixir has been kept here for so long. It's been about a few thousand years. I'm not sure if the elixir is still effective—"

"Ha-ha! This is great. My beauty can live again!" Zhu Bajie said without letting Darryl finish. He proceeded to open Diaochan's coffin immediately.

When Zhu Bajie had first set his sights on Diaochan, he was impressed and fell in love! He felt disappointed to find out Diaochan had died a few thousand years ago, but now that he knew the Mystic Sky Golden Elixir could resurrect the dead, he was happy. Without thinking further, the first thing he wanted was for Diaochan to live again.

Before Debra and Darryl could react, he had poured the Mystic Sky Golden Elixir into Diaochan's red lips.

"Ha-ha. Beauty, beauty, wake up

“Ha-ha. Beauty, beauty, wake up quickly.” Zhu Bajie was all smiles as he looked at Diaochan without blinking.

Darryl took a deep breath and looked closely at Diaochan. ‘The most beautiful woman in the world is going to be resurrected?’

As the three of them were focused on Diaochan, suddenly, a figure rushed over and grabbed the Spiritual Pearl from Lu Bu’s coffin. He then jumped down and ran away from the palace.

It was Ewan!

Ewan had been about to give up when he could not find an opportunity to take the pearl. However, once he saw that the others were distracted by Diaochan, he knew this was his chance!

As he ran, he shouted at Rachel, “Rachel, run!”

Rachel quickly leaped into action followed behind him!

At that time, both of them were extremely excited!

excited!

'This Spiritual Pearl contained Lu Bu's ultimate technique, Blood Battle Eight Directions Scripture! I've got it!' At that moment, Ewan was already imagining how much more powerful and famous he was going to become.

'Sh\*t!' Darryl finally realized what happened and was furious. 'How disgusting were Ewan and Rachel! I've been very forgiving, but they keep taking advantage of me. Now, he's even taken the Spiritual Pearl!'

"Give that back!" Darryl roared as he was about to go after them.

At the same time, Zhu Bajie scolded, "How dare you steal the Spiritual Pearl! You're asking for death!"

Then, he leaped and jumped down as well, but Ewan and Rachel had already left the palace.

"Ha-ha, Blood Battle Eight Directions Scripture Scripture. I have the Blood Battle Eight Directions Scripture!" Ewan laughed.

laughed.

He was not worried at all when he saw Zhu Bajie chasing after him. He laughed and was about to activate his internal energy to consume the Spiritual Pearl and obtain the Blood Battle Eight Directions Scripture.

However, out of his excitement, Ewan forgot that he had left the palace and had arrived at the Nine Star Flame Formation outside the palace. Earlier, Darryl had led everyone into the palace safely as he knew how to break the formation.

However, Ewan and Rachel had no clue at all. Once they entered the formation, they activated it immediately.

Bang!

The formation was activated, and a ball of blue flames shot up from the ground!

“Ah!” Ewan had no time to react before his body was covered in blue flames.

As he shouted in pain, the Spiritual Pearl in his hand had rolled away.

As he shouted in pain, the Spiritual Pearl in his hand had rolled away.

The formation got its name due to the formation containing the Nine Star Spiritual Flame, which was the blue flame that shot out.

“Rachel, help me. Ah! Help me!” Ewan shouted as the flames were burning him. His screams for help were haunting.

“Ewan!” Rachel was not safe too. In the next moment, Rachel was surrounded by huge flames too!

## Chapter 1312

“Ah! Darryl, help me. Help me, please. Save us...” Ewan could not stop shouting as he looked at Darryl, begging!

Ewan's voice trembled as he shouted. He had lost all of his arrogance from earlier, and only fear and helplessness were left in his heart.

Darryl was completely cool and showed no change of emotion when he heard Ewan's voice shouting for help.

Ewan is too greedy. How dare he steal the Blood Battle Eight Directions Scripture right in front of me. He deserves to burn to death!' he thought.

Debra looked extremely worried. “Darryl! Rachel is still your godsister.”

To be honest, Debra was also furious when Ewan and Rachel had snatched the treasure earlier. However, she was still a person and kind-hearted. She could not bear seeing Rachel and Ewan being burnt by fire.

by fire.

“I’m not going to rescue them!” Darryl clenched his teeth. He hated Ewan and Rachel; he did not want to save them!

When he heard that, Ewan lost hope completely!

By now, the fire had spread, and Ewan was engulfed in a sea of fire. The fire was slightly weaker for Rachel, but the fire still trapped her.

“Darryl, please save them,” Debra repeated as she bit her lips and pulled his arms.

“Debra, you are too kind. What’s the point of saving people like them?” Darryl said, kissing Debra softly.

“B-but Ewan and Rachel are too pitiful. Why don’t you save them, please,” Debra said as she looked down.

Darryl sighed. After thinking about it for another while, he finally nodded. “Fine.”

Rachel and Ewan had attacked Darryl multiple times, but he had never sought out revenge against them. It was thanks

Multiple choice  
out revenge against them. It was thanks to Debra's kindness that Darryl did not want to be so cold-hearted. Then, he dashed into the sea of fire.

"Ah!" Ewan screamed as his voice disappeared.

Darryl had been a step too late, and now Ewan's entire body had been burned completely. Not even ashes were left behind.

Debra and Zhu Bajie took a deep cold breath when they witnessed that.

That was the power of the Nine Star Flame!

It was terrifying!

"Ewan! Ewan, don't leave me. Ewan!" Rachel screamed at the top of her lungs as she collapsed to the ground, crying!

Her body was burning too, and her condition was critical. If no one saved her soon, she would end up just like Ewan within ten seconds!

Darryl had arrived just in time!

"Come with me!" Darryl pulled her arms

within ten seconds.

Darryl had arrived just in time!

“Come with me!” Darryl pulled her arms and brought her out of the sea of fire. He had the White Lily Cold Flame in his body, so he was able to control the world’s enchanted flame. The Nine Star Flame would not hurt him at all.

Bang!

The White Lily Cold Flame shot out of Darryl’s palm! After it appeared, the burning Nine Star Flame was put out in an instant!

‘Sh\*t! Is that the world’s top enchanted flame, White Lily Cold Flame?’ Zhu Bajie was stunned when he saw that. His eyes were wide open as he stared blankly at Darryl. He was speechless.

## Chapter 1313

When he saw Darryl dash over to Rachel, Zhu Bajie was worried. No matter what, that was still the Nine Star Flame Formation. It was not an easy thing to handle, and you could easily catch fire.

However, Zhu Bajie had never imagined that Darryl had the world's top enchanted flame, the White Lily Cold Flame!

Darryl saved Rachel and picked up the Spiritual Pearl on the way too. Ewan had stolen the Spiritual Pearl, and after he got burnt to death, it dropped to the ground and rolled away. The Spiritual Pearl contained the Blood Battle Eight Directions Scripture, so of course, Darryl would pick it up.

Once Darryl and Rachel escaped from the sea of fire, Rachel shook off Darryl's hand fiercely!

"Darryl! Are you cold-blooded? Why didn't you save Ewan? Why?!" she cried, her body trembling and her eyes full of anger.

body trembling with a full of anger.

If Darryl had come earlier, Ewan would not have died!

Rachel continued scolding Darryl as if she had lost her mind, "You saw him being burned to death. Is your heart made of stone?! Are you still a human?"

Darryl became furious as he stared at Rachel coldly. "Me, rescue him? Why should I rescue him? Both you took my Spiritual Pearl and activated the Nine Star Flame Formation yourselves. How can you blame others? He was asking to be burnt to death! How dare you blame me for not rescuing him? Are you out of your mind! Rachel, let me tell you that if it weren't for Debra begging me, I would have never saved you either. So, quite being bossy!"

He was so furious; he was about to explode. 'Rachel's crazy. I shouldn't have saved her!'

"You..." Rachel's face turned red, and her entire body was shaking. She was enraged when she thought of Ewan's death and how Darryl did not help at all.

when she thought of his death and how Darryl did not help at all.

Right at that moment, a woman was seen coming over quickly from afar! The woman was dressed in a long, blue dress and looked as elegant as a water lily. She looked extremely pure!

It was Gonggong!

“Darryl, we meet again. I told you you couldn’t run away from me.” Gonggong stared intently at Darryl.

The next second, her eyes shone as she saw Darryl was holding the Spiritual Pearl in his hands. She could not help but humiliate him, “How dare you take Lu Bu’s, Spiritual Pearl? Darryl, people like you, do not qualify to learn the Blood Battle Eight Directions! Give it to me at once!”

Gonggong was knowledgeable and had a lot of experience. She could easily identify that Darryl was holding Lu Bu’s Spiritual Pearl in his hand.

The Blood Battle Eight Directions Scripture was in the Spiritual Pearl!

Darryl furrowed his brows but smiled as

scripture w... can.

Darryl furrowed his brows but smiled as he looked at Gonggong. "Gonggong, why should I give it to you? If you are trying to steal it, let me see you try."

Darryl was overconfident as he knew Zhu Bajie had his back. There was nothing for him to be afraid of.

"Great, that's great!" she laughed with anger. "Darryl, you think you are so fearless with Zhu Bajie by your side. I want the Spiritual Pearl no matter what."

Bang!

A strong aura exploded from Gonggong's body! The atmosphere became tense as a fighting aura was in the air.

"Darry, be careful!" Debra shouted when she saw things were not right.

Gonggong was Heaven Ascension Level Two. Although Darryl had the White Lily Cold Flame, he was no match for her!

At that moment, Darryl felt worried and quickly turned to shout, "Brother Zhu, please handle this woman. I'm no match for her"

quickly turned to shout, "Brother Zhu, please handle this woman. I'm no match for her"

However, when he turned around, Darryl was not sure whether to laugh or to cry.

Zhu Bajie was standing in front of the crystal coffin; his eyes fixed on Diaochan as he awaited her resurrection.

Darryl was speechless when he saw that.

'In a situation like this, Zhu Bajie is still thinking of the beautiful woman. His libido was beyond anyone's imagination.'

"Brother Zhu!" Darryl shouted again; he was sweating profusely with worry.

"Brother Darryl, go ahead and fight Gonggong. I'm waiting for Diaochan to resurrect. I shall assist you if you cannot hold it anymore," Zhu Bajie said, waving his hands. ①

## Chapter 1314

“Brother Zhu, I can’t even last three rounds with Gonggong!” Darryl shouted in frustration.

After he said that, he could hear footsteps coming from afar, followed by ten thousand people gathering around them. In a blink of an eye, the space in front of the palace was filled with people!

The ten thousand people were made up of dozens of sects. Among them were the Beggars Sect, Mountain Peak Sect, and other sects from another mainland. These people had been attacked by poisonous bugs, so their bodies were covered in wounds. However, their injuries were not too severe.

When they saw that Darryl was about to battle Gonggong, the other sects had just arrived and stopped to look at them. Then, they saw the main tomb room behind Darryl and the crystal coffins inside. All of them became excited.

“It’s here...”

"It's here..."

"Ha-ha...we've found it. This is Lu Bu's main tomb room!"

"What a huge crystal coffin."

Everyone chatted with excitement.

However, they did not dare approach them as they were afraid of Darryl and Gonggong.

The two people in front of them were too powerful. Whether it was Gonggong or Darryl, they were not people that they would like to upset.

"Everyone! Did you see the Spiritual Pearl in Darryl's hand? The Blood Battle Eight Directions Scripture is inside it. I will not stop you if you want to snatch it from him. I just want to capture Darryl," Gonggong said as she floated in the air.

As she said that, Gonggong was smiling. She knew that if she were to battle with Darryl, Zhu Bajie would definitely come for his help. However, with the large crowd's sudden appearance, she just needed to make the situation chaotic, and she would easily capture Darryl.

she would easily capture Darryl.

Of course, after capturing Darryl,  
Gonggong would not miss the  
opportunity to take the Spiritual Pearl.

Everyone was amazed. All ten thousand  
pairs of eyes focused on the Spiritual  
Pearl in Darryl's hand. Their eyes burned  
with greed.

Darryl already obtained the Blood Battle  
Eight Directions Scripture?

Blood Battle Eight Directions Scripture  
was Lu Bu's ultimate technique when he  
was the top warrior in the world. At that  
moment, everyone was eager to try it!

Darryl felt shocked when he saw everyone  
's gaze. He furrowed his brows as he  
stared at Gonggong. "This woman is pure  
evil. How could she use these people from  
the Sects to fight against me?"

"Darry! I suggest you surrender the Blood  
Battle Eight Directions Scripture and  
leave with me! The situation is obvious  
now. Even if I don't fight you, you can't  
defeat so many sects!" Gonggong smiled  
arrogantly.

defeat so in... long smiled  
arrogantly.

If the situation turns chaotic, Zhu Bajie would definitely not make it to help Darryl. She would defeat Darryl the first chance she got, then take the Spiritual Pearl for herself. Her plan was just too perfect.

At that moment, people from the various sects could not wait anymore.

“Everyone, the lady has spoken. She doesn’t want the Blood Battle Eight Directions Scripture; she just wants to capture Darryl!”

“What are we waiting for then?”

“Let’s get it!”

As they discussed, all of them locked their gaze on Darryl and was about to charge forward.

Debra was worried when she saw what was in front of her. ‘What to do now? Will Darryl be able to fight so many people?’

Debra became frustrated that Zhu Bajie was still standing next to Diaochan, engrossed in her beauty. He was ignoring

was still staring at Diaochan,  
engrossed in her beauty. He was ignoring  
everything happening beside him. He  
could see no evil or hear it.

“Ah...” a gentle voice moaned in pain.  
The sound was coming from the palace.  
It was not loud, and it sounded alluring.  
Not only Darryl but all the men present  
could feel a tingle in their bones.  
Everyone unconsciously looked towards  
the palace at the same time.

At that moment, everyone took a cold  
breath and was stunned!

Diaochan slowly rose from the crystal  
coffin on the right side of the jade altar.  
Her gorgeous face looked puzzled as her  
perfect figure attracted the attention of  
all the men there.

‘Sh\*t!’ Darryl thought.

His mouth was wide open as he stared at  
Diaochan, unblinking. He was completely  
stunned.

Diaochan was alive!

At that moment, the entire place went

At that moment, the entire place went silent!

All the people from the major sects still did not know that the woman in the crystal coffin was the infamous Diaochan. However, all of them were stunned when they saw her beautiful face and perfect figure!

“Ha-ha. My beauty Diaochan, you’re awake? Don’t be afraid. I am Zhu Bajie. I am the one who resurrected you. Don’t you think we’re fated? You don’t have to be grateful to me. If you really wish to repay me, you can repay me with your body,” Zhu Bajie, who had been standing guard at the side, said as he smiled.

Zhu Bajie was dancing in his mind. His words were shameless as he completely ignored everyone who was watching him.

Diaochan was one of the four most beautiful women in the world, globally, and she was now alive in front of him.

Zhu Bajie was just so happy.

‘What? That was the beautiful Diaochan?’ all the people from the major sects were

'What? That was the beautiful Diaochan?'  
all the people from the major sects were  
stunned.

All of their vision paused on Diaochan's  
body. They were left speechless!

Diaochan's name was heard on all nine  
continents. The most beautiful woman in  
the world was sitting there like a goddess  
and had been resurrected in front of  
everyone?!

At that moment, the entire place was in  
complete silence as everyone looked at  
Diaochan, amazed and stunned.

Beautiful!

Attractive! Sexy!

Even with all the beautiful words in the  
world, they were not sufficient to  
describe the beauty of Diaochan. Her  
beauty could not be described.

"Diaochan was resurrected?" Gonggong,  
who was floating up in the sky, mumbled  
as she furrowed her brows. She could not  
hide the shock on her face.

## Chapter 1315

How did Diaochan come back to life? At that time, Gonggong was stunned and did not know what was going on.

“Gonggong! Since the beautiful Diaochan has come back to life, I’m afraid to tell you that Lu Bu will live soon too. Do you want to know how I got the Blood Battle Eight Directions Scripture? I got it with Diaochan’s blessing!” he smiled, creating stories when he noticed Gonggong’s expression.

At the same time, Darryl looked around and continued to say, “In other words, I am a friend of Lu Bu. If you all want to harm me, then you may imagine the consequences when Lu Bu wakes up later.”

As he said that, Darryl looked arrogant, but in fact, he was a little nervous.

Darryl said this to scare Gonggong and the rest. In fact, there was only one Mystic Sky Golden Elixir in the palace, and Diaochan had already consumed it. Lu Bu would never lie again, but Darryl

and Diaochan consumed it. Lu Bu would never lie again, but Darryl had no choice. Gonggong had created this chaotic situation before him, and he had to use Lu Bu's reputation to scare everyone.

As expected, once they heard of Darryl's words, everyone's face changed. Those who were nervous took a deep cold breath.

'What? Darryl is Lu Bu's friend? Lu Bu will be awake soon?' everyone wondered.

At that time, no one doubted Darryl. It was a fact that Diaochan had been resurrected as the truth was in front of everyone's eyes. Everyone had to believe that.

Lu Bu's friend!

Who dared to upset him? At that moment, many people looked at Darryl and were worried.

Even Gonggong was biting her lips and started to hesitate. Zhu Bajie had already given her enough of a headache; how could she battle if Lu Bu was resurrected later?

later?

Darryl was delighted to see the facial expression of Gonggong and the rest. He just made up a lie, but everyone believed him with no doubt. Darryl was a genius!

Debra smiled too as she looked at Darryl in amazement and with admiration.

Her man was smart and quick. He had shocked so many people with just a lie.

Diaochan walked out from the crystal coffin, her face filled with doubts as she looked at Zhu Bajie. She then saw so many people outside. Diaochan was lost!

‘Who are these people? Am I not dead?’ she thought.

After a few seconds, Diaochan finally gathered her thoughts as she asked Zhu Bajie, “You used the Mystic Sky Golden Elixir to help resurrect me?”

“That’s right, that’s me!” Zhu Bajie nodded multiple times as he stared intently at Diaochan with a smile. “Are you touched?”

Diaochan sighed. Her eyes turned to look

Diaochan sighed. Her eyes turned to look at the crystal coffin on the side and stared at Lu Bu closely. "What is the point for me to be alive? There was only one Mystic Sky Golden Elixir. Although I am awake, my husband is still in a coma. There is no reason for me to live alone."

As she said that, tears were shining in Diaochan's eyes as sorrow filled between her eyebrows.

Diaochan's voice was very soft, but all the cultivators heard it loud and clear.

'Sh\*t!' Darryl cursed softly as he smiled bitterly.

Earlier, Darryl had lied that Lu Bu would be resurrected soon, but he had never expected Diaochan to tell the truth so fast!

Gonggong locked her gaze on Darryl in a rage. "Darryl, how dare you try to trick me?"

Diaochan's words were clear; Lu Bu would not be resurrected. It was obvious Darryl was lying just now.

At the same time, the people from the

At the same time, the people from the other sects gathered their thoughts and looked at Darryl angrily.

“Darryl, how dare you use Lu Bu’s name to scare us?”

“Do you think we are idiots?”

Seeing things were not right, Darryl cleared his throat, looked around, and said to Gonggong, “Diaochan has just woken up. Her mind is not clear. You trust her words? If you think I am lying, please stay and see for yourself if Lu Bu will wake up!”

‘Sh\*t!’ he cursed to himself. He had to continue acting since he had started it all.

Gonggong smiled coldly, “You’re still lying, aren’t you?”

Gonggong charged towards the palace and raised her arms to hit directly on Lu Bu’s crystal coffin.

Bang!

The hit only carried half of her internal strength. A loud bang was heard, and

The hit only increased her internal strength. A loud bang was heard, and vibration was felt. The steady crystal coffin, together with Lu Bu in it, immediately broken into pieces!

Everyone was stunned when they saw that. Their faces were all blank.

'Just one hit, and she had broken the crystal coffin and Lu Bu into pieces.'

'How strong was she?' everyone wondered.

Darryl's face changed. He was now angry and surprised!

'This crazy woman really acted on it.'

At that moment, Gonggong was looking at Darryl, and he was not sure if she was smiling or crying.

"Darryl, not even Lu Bu's bones are left here. Tell me, how could he be resurrected?" Gonggong teased.

"You crazy woman. You..." At that moment, Diaochan walked over. The beautiful eyes of hers were filled with anger as she shouted at Gonggong, "You

"You crazy woman. You..." At that moment, Diaochan walked over. The beautiful eyes of hers were filled with anger as she shouted at Gonggong, "You have destroyed my husband's body. You will die a terrible death!"

## Chapter 1316

Diaochan's tears flow uncontrollably! Lu Bu and Diaochan had loved each other their whole lives until they died.

However, Gonggong not only broke the crystal coffin with one fist and even destroyed Lu Bu's body! Diaochan was devastated!

"You destroyed my husband's body. You shall die! You shall die a terrible death..."  
Diaochan looked at Gonggong, her body trembling!

"I'll die a terrible death?" Gonggong laughed as she looked at Diaochan with a killer gaze. "Since you love Lu Bu so much, you shall join him."

Even though Diaochan was the most beautiful woman in the world, Gonggong was a woman too. She would never fall for her!

Gonggong was an arrogant person and everyone that saw her respected her. Diaochan cursed her to die a horrible death, and Gonggong would not accept that at all.

that at all.

Bang!

As she said that, Gonggong's internal energy exploded as she moved to punch Diaochan. She moved so fast that she was in front of Diaochan in the blink of an eye.

Both Darryl and the rest of the various sects were worried about Diaochan.

Everyone knew that Diaochan had just been resurrected, so she would have no internal energy at all. She was just like an ordinary person. She would definitely die if she faced Gonggong's attack.

"You want to kill my beauty?" Zhu Bajie shouted angrily and stood in front of Diaochan immediately.

The next second, Zhu Bajie lifted his right hand and punched Gonggong!

Bang!

Their fists met and created a loud sound. Gonggong bounced backward a couple of steps, and her face was pale.

Zhu Bajie staggered a few steps backward too, but his face remained natural.

Zhu Bajie stepped backward too, but his face remained natural.

With just one punch, it was obvious the different power levels of the two people.

It was clear that Zhu Bajie was much stronger than Gonggong!

“Zhu Bajie!” Gonggong quickly calmed her internal energy and stared at Zhu Bajie, enraged. “I want to kill Diaochan; what does it have to do with you? Don’t get involved in other people’s business.”

Zhu Bajie was frustrated as he rubbed his nose. “You’re attacking my beauty, and it has nothing to do with me?”

At that moment, Zhu Bajie shouted at Darryl, “Brother Darryl, bring my beauty out of here first. Let me stall Gonggong and the rest of the sects. Remember to take care of Diaochan. Don’t let her take her own life.”

He would not be worried at all if it was only Gonggong, but there were so many powerful people from so many sects. He decided to ask Darryl to leave with Diaochan first in order to protect her from getting hurt during the chaotic

Diaochan first tried to protect her from getting hurt during the chaotic battle.

“Brother Zhu, don’t worry,” Darryl replied as he walked over to Diaochan and held her hand. “Leave with me quickly!”

“No, I don’t want to leave!” Diaochan shook her head and was determined. “My husband’s body is gone. I don’t want to live!”

Darryl was so frustrated.

‘Sh\*t! The Diaochan was crazily in love,’ he thought.

Darryl could not be bothered to say another word as he dragged Diaochan out of the palace with Debra’s help.

“Darryl, don’t you dare run!” Gonggong was furious as she saw Darryl running. She wanted to chase after them!

At that moment, Zhu Bajie roared and charged towards her. He blocked Gonggong’s way and started to battle with her. Zhu Bajie turned his wrist, and a white ray shone from his hand. A nine-toothed rake appeared in his hands

a white ray and. A nine-toothed rake appeared in his hands instantly!

The rake was two feet long, pure white, and had a strong killing aura. It was a purple level weapon!

Once Zhu Bajie took out his weapon, Gonggong was no match for him. She was almost defeated. Gonggong became nervous and shouted at the major sects outside, "Darryl ran away with the Blood Battle Eight Directions Scripture. Go after him!"

When they heard that, the people outside gathered their thoughts and started shouting.

"Hurry. Stop Darryl!"

"Get the Blood Battle Eight Directions Scripture!"

"Darryl, leave the Blood Battle Eight Directions Scripture!"

Everyone's shouting smashed towards Darryl like the rising tide.

"You want to take the Blood Battle Eight Directions Scripture with just you all?"

“Get the Blood Battle Eight Directions Scripture!”

“Darryl, leave the Blood Battle Eight Directions Scripture!”

Everyone’s shouting smashed towards Darryl like the rising tide.

“You want to take the Blood Battle Eight Directions Scripture with just you all?”  
Darryl smirked as he raised his hand without hesitation.

Bang!

A ball of white flame leaped into the air, causing vibrations, and in a blink of an eye, a sea of white flames formed behind Darryl.

## Chapter 1317

“This, this is...”

“The White Lily Cold Flame. This is White Lily Cold Flame. Run away!”

The various sects stopped in their footsteps and were all in a state of fear. When they had finally gathered their thoughts, Darryl, Debra, and Diaochan had already disappeared from view.

“What a bunch of useless people!”

Gonggong was furious. A dozen sects, but not a single one of them could stop Darryl.

‘Are they all id\*ots?’ she thought.

Gonggong stared at Zhu Bajie and shouted, “Zhu Bajie, I will battle you till the end! I would have captured Darryl by now if it wasn’t because of you!”

Bang!

Gonggong’s internal energy exploded as she punched Zhu Bajie.

Zhu Bajie was not worried at all when he felt Gonggong’s anger. He smiled cheekily and said, “Gonggong! Are you

Zhu Bajie was laughing when he felt Gonggong's anger. He smiled cheekily and said, "Gonggong! Are you falling in love with me? That's why you want to be with me till the end. To be honest, you are beautiful enough to be my woman, but my heart belongs to my beauty, Diaochan. You must not disturb me."

Zhu Bajie avoided Gonggong's punch as he laughed loudly and flew further away.

The truth was Gonggong was not a match for Zhu Bajie at all!

Zhu Bajie's mind was only focused on Diaochan. He was not in the mood for a fight.

Gonggong blushed when she heard those words. She felt shy and furious as she almost exploded.

'This Zhu Bajie is ridiculous!'

"Zhu Bajie, stay there!" she said as she followed closely behind Zhu Bajie.

For a short moment, Zhu Bajie and Gonggong disappeared from the crowd's vision.

vision.

“Hey, Gonggong, are you still following me?”

“Stop laughing at me. Stop to face your death!”

“Ha-ha. Even if I were to stop, you’re still no match for me.”

“You...”

After half an hour of chasing, Zhu Bajie finally got rid of Gonggong.

No matter what, the ancient tomb was just too huge. The environment was complicated too. Even a powerful person like Gonggong felt dizzy after turning around.

“Beauty Diaochan, I’m looking for you,” Zhu Bajie mumbled to himself as he walked away happily.

Back in Lu Bu’s ancient tomb, in a dark corner of the main hall, the sound of giant beasts was heard. The voices of people shouting in pain echoed through the room.

A giant beast leaped up and down in the

A giant beast leaped up and down in the main hall and was attacking the many sect members. The beast was a dozen feet long; its entire body was black and had a round mane like a lion. However, its eyes were large and looked wild. It was glowing terrifyingly.

Its teeth and claws were as sharp as a knife and terrified everyone. The aura around him made one suffocate.

Ten thousand people with incredible power surrounded the giant beasts. These people were mainly warriors of various sects of Westrington and were all Donoghue's followers.

A person floated in the air, holding a bright and cold giant ax, looking arrogant.

It was Donoghue!

Donoghue was puzzled, and he looked confused.

Donoghue was puzzled, and he looked confused.

When they had entered the ancient tomb, Donoghue ordered his followers to quickly search for Lu Bu's main tomb room. In the end, they did not find the room but found incredibly powerful giant beasts!

## Chapter 1318

Donoghue had made a decision when facing the fierce beasts. He ordered his followers to capture the beast alive.

Who knew the power of the giant beasts could be so terrifying? Both parties battled for over half an hour and Donoghue's workers were killed or injured. The injuries were severe.

However, the beast just got stronger and braver as it battled!

What amazed Donoghue the most was that the giant beast was so strong and intelligent. Even though he had used the Sky Breaking Axe, he still could not control it!

Shentel had been watching the battle from the side and looked worried. She shouted at Donoghue, "Dear! Be careful; this, is an enchanted beast, Pixiu. It's not easy to handle."

Shentel was not powerful, so she went to a safe place to watch the fight when they

Shentel was \_\_\_\_\_ she went to a safe place to watch the fight when they found the giant beast. She was a famous and intelligent woman in Westrington. She was also very knowledgeable, so after observing the fight for a while, she figured out who the giant beast was.

She was right. The beast was the enchanted beast, Pixiu.

That Pixiu was Lu Bu's enchanted beast. When Lu Bu found Pixiu, it was still a cub and Lu Bu had brought it with him.

Pixiu was very loyal to Lu Bu, and after he died, the beast had been guarding the ancient tomb until today.

Everyone knew Pixiu was an auspicious enchanted beast. It was naturally a gentle beast, but there were exceptions. For instance, Pixiu was furious now because it saw so many people invade its owner's ancient tomb.

'Pixiu? Sh\*t! I have the worst luck! I still had not found Lu Bu's real tomb room, but I met Pixiu. I haven't found Lu Bu's real tomb room, but I found Pixiu. But so what! I think we can take you down with

real tomb ro... Pixiu. But so what! I think we can take you down with so many of us here!' Donoghue became worried and terrified.

Sigh!

Donoghue took a deep breath and glared at Pixiu as he shouted, "Everyone get over here. We must control this Pixiu!"

Ten thousand people from various sects blasted their internal energy and charged towards the Pixiu.

They were sect disciples from Westrington, and as the Prime Minister, Donoghue would dictate their sects' future. That's why they did not dare to disobey his orders.

The aura from the ten thousand warriors twisted in the air in the main hall. It was intimidating!

Roar! Pixiu was enraged.

Its roar shook the ground as he waved his two front paws!

Bang!

Thunder-like noises were heard,

Bang!

Thunder-like noises were heard, followed by lightning. The sounds came from the Pixiu's sharp paws as it charged towards the various sects.

"Ah!" in a blink of an eye, many disciples were struck by lightning and screamed in pain. One by one, they fell and landed in a pool of blood.

'The Pixiu's attack carried electricity?' Donoghue thought.

All of them could not help but take a cold breath at the intimidating sight.

'That was the power of the enchanted beast? How terrifying!'

Roar!

The Pixiu roared towards the sky and started to rush towards the rest!

"Ah!" the sounds of people's screams echoed.

They were not sure how many people died from the sound of the painful screams. Everyone was terrified, and they did not want to keep fighting. They just wanted

They were not sure how many people died from the sound of the painful screams. Everyone was terrified, and they did not want to keep fighting. They just wanted to turn around and run away.

The Pixiu was terrifying, and anyone who stayed would definitely end up dead!

## Chapter 1319

Seeing the situation becoming worse, Donoghue shouted at Shentel, "Shentel, you need to leave. I'll find you later!"

'Shentel was not powerful enough. I can't let the Pixiu hurt her,' he thought.

"No!" Shentel shook her head, worried. "No, dear. I'm not leaving. Let's retreat if it is too difficult."

The Pixiu was just an enchanted beast that was guarding the ancient tomb. There was no need to stay there!

Donoghue shook his head firmly. "No, I must control him!"

He was the Prime Minister and he had the Sky Breaking Axe. He must not be defeated by a fierce beast and run away! He must capture it alive!

Next, Donoghue said to a man dressed in a black shirt, "Ted, bring my wife to a safe place. Hurry!"

Ted was Donoghue's bodyguard and also

Ted was Donoghue's bodyguard and also his trusted partner. He was a Level One Martial Emperor.

"Yes, Prime Minister!" Ted replied and rushed over to Shentel. "Madam, we must leave quickly. The Prime Minister has a unique divine weapon; he will be fine."

"Alright then!" Shentel replied.

She decided against trying to persuade Donoghue any further when she saw he was determined. The beast was extremely fierce, and she would be no help at all even if she wanted to stay. She might just end up being a distraction for him. It would be better if she left.

Shentel followed Ted and left the place.

"You beast, don't you dare be wild!"

Once Shentel left, Donoghue had nothing to worry about. He held the Sky Breaking Axe and exploded with a strong aura as he charged towards the Pixiu.

Meanwhile, Ted had brought Shentel to another corner of the ancient tomb. Ted

Meanwhile, Ted led Shentel to another corner of the ancient tomb. Ted looked around and pointed at a garden in the front. "Madam, why don't we rest over there. Once the Prime Minister captures the Pixiu, he'll definitely come looking for us."

"Alright!" Shentel replied without further thought. At that moment, Shentel was only worried about Donoghue. Even though Donoghue was powerful, it was still challenging to capture a Pixiu alive.

She could only pray that Donoghue would return safely. She looked around as she prayed.

It was undeniable that Lu Bu's ancient tomb was spacious and had many buildings. All the areas had unique decorations. The garden could be a little park, and there was an artificial waterfall that looked exquisite.

She had never expected there would be such a striking place in the dark, creepy ancient tomb.

At the same time, Ted and a few other guards were stunned as they looked at the

At the same time, a few other guards were stunned as they looked at the garden in front of them. With such a beautiful garden, was it still considered an ancient tomb?

“Madam, what is that?” Ted asked as his gaze landed on a flower.

Shentel followed his gaze and shivered.

Not far away, on the side of the wall, was a flower blossoming. The flower was special and was shaped like a lily, but half of it was icy blue while the other half was a fiery red. It shined bright.

“Th-this is the Iced Fire Lily?!” A few seconds later, Shentel gathered her thoughts and said.

Shentel had read a lot of books since she was young and was knowledgeable.

The Iced Fire Lily was recorded in ancient scriptures. It was an extremely rare spiritual herb that contained the spiritual aura from the sky and earth. A cultivator's power would increase substantially after consuming it.

‘Iced Fire Lily?’ Ted and the other

'Iced Fire Lily?' Ted and the other bodyguards looked lost when they heard its name.

They were not as well-read on spiritual herbs, so they did not recognize the name.

"Hurry, hand me the Iced Flower Lily!" Shentel ordered, looking desperate.

Once she consumed the Iced Fire Lily, her power would increase tremendously. She would be able to help Donoghue in the future if there was trouble.

"Ha-ha. Iced Fire Lily?" a teasing voice was heard, followed by the figure of a man looking closely at the flower.

He was extremely excited!

It was Zhu Bajie!

After Zhu Bajie left Gonggong, he went to look for Darryl and the rest immediately. However, Lu Bu's ancient tomb was just too huge, and there were many buildings that looked alike. Zhu Bajie went around once but still could not find Darryl. He ended up here by mistake.

Lily."

## Chapter 1320

Zhu Bajie had thought it over. Once he got the Iced Fire Lily, he would give it to Diaochan and win her heart.

With that in mind, Zhu Bajie was about to walk over to pluck the Iced Fire Lily.

“I found this Iced Fire Lily first,” Shentel said as she walked up to Zhu Bajie.

“Oh, beautiful lady, we meet again.” Zhu Bajie smiled.

‘Isn’t this Donoghue’s wife? I saw her outside the ancient tomb earlier. I didn’t expect to see her in the ancient tomb again.’ Zhu Bajie looked Shentel up and down. ‘Honestly, this woman is quite beautiful.’

Shentel saw Zhu Bajie’s eyes and was furious. ‘This Zhu person is perverted. This is insulting!’

Zhu Bajie laughed and said to Shentel, “Beauty, is your name written on the Iced Fire Lily? Or is your last name written on it? I’ll be taking the Iced Fire Lily today.

Fire Lily? Or ... written on it? I'll be taking the Iced Fire Lily today. Beauty, we were destined to meet; what is your name? Why don't we be friends?"

"Shut your mouth!" Shentel said, blushing as she felt angry and awkward. "I don't know you, please leave now! The Iced Fire Lily is mine."

She looked at the Iced Fire Lily with worry.

'This Zhu person is very powerful, but I can't let him have the Iced Fire Lily!'

Ted took a step forward and shouted at Zhu Bajie, "Mister Zhu, how dare you disturb our Prime Minister's wife. Leave now!"

To be honest, Ted was panicking when he felt Zhu Bajie's power, but he had no choice. It was his duty to protect Shentel.

"Who are you? Get out of my sight. I'm talking to this beauty. What does it have to do with you? If you interrupt again, I shall kill you." Zhu Bajie looked at Ted coldly.

Zhu Bajie smiled and looked at Shentel. "

country.

Zhu Bajie smiled and looked at Shentel. "Beauty, I'm very easy to be friends with, and I'm very caring. You will regret not being my friend. Come, give me a kiss."

Zhu Bajie had been crude his whole life, so he had thick skin!

Shentel was furious. She walked over to Ted and said softly, "Ted, I will talk to this Zhu person to distract him. You find a chance to pluck the Iced Fire Lily quickly!"

Ted nodded, showing he understood.

Shentel bit her lips and looked at Zhu Bajie. "You want to know my name? Let me tell you then."

Zhu Bajie took a few steps closer to Shentel and smiled. "Tell me what's your name."

At that moment, Ted took the opportunity to dash forward and pluck the Iced Fire Lily with his hand.

Shentel smiled at Zhu Bajie, "I'm the Prime Minister's wife. What my name is is not important; the important thing is

Prime Minister. My name is not important; the important thing is the Iced Fire Lily is in our hands now.

Mister Zhu, a gentleman would not steal something that others love. Since we have plucked the Iced Fire Lily, the Iced Fire Lily is mine. You are such a powerful person; you will not take things from weak people like us, right? Please leave.”

‘Sh\*t!’ Zhu Bajie realized he had been tricked. However, he was not angry.

“Interesting. Technically I am strong, but you are weak, so I shouldn’t rob you. But I wanted to present this Iced Fire Lily to my beauty Diaochan, so you better surrender the Iced Fire Lily to me.”

Zhu Bajie looked closely at Ted, took a step forward, and was about to snatch the Iced Fire Lily!

Ted looked at Zhu Bajie and teased, “Who do you think you are? Do you want to snatch the Iced Fire Lily? This Iced Fire Lily belongs to my madam. Don’t even think about taking it. Leave now! Also, how dare you disturb my madam? You will be in big trouble when my Prime Minister returns!”

do you think I want to snatch the Iced Fire Lily? This Iced Fire Lily belongs to my madam. Don't even think about taking it. Leave now! Also, how dare you disturb my madam? You will be in big trouble when my Prime Minister returns!"

Ted passed the Iced Fire Lily to Shentel, and she quickly put it in her mouth immediately, swallowing it.

"You are asking for death!" Zhu Bajie was furious as he punched Ted!

'This man insulted me numerous times!' Zhu Bajie could not control himself anymore.

Ted could not react; Zhu Bajie's punch landed firmly on his body!
