

The Charismatic Charlie Wade Chapter 3264

Chapter 3264

Once he thought that Hamid attached so much importance to this matter, Zynn also knew that Hamid was now transformed into the Syrian version of the infrastructure maniac, and this kind of protest by him would be useless.

So, he said to the soldier resentfully, "Young man, can I discuss something with you?"

The soldier looked at him warily and questioned, "What do you want?"

Zynn said, "I want a pair of earplugs, to isolate the noise, so that when you turn around and open the mountain again, I can also be less affected!"

"No!" The soldier gave him a blank look and took out a ball of crumpled toilet paper from his pocket and threw it at Zynn's feet from the wall, saying, "You can make do with this!"

"Fck." Zynn said with a depressed face: "To solve this fcuking matter, what the fcuk am I supposed to do with the toilet paper? How so disgusting? It's not like you're done with what you're doing, and you're carrying it in your pocket, right?"

"You bull5hit!" The young soldier's face was red with anger and he blurted out, "I pulled off a piece of it when I came to change my post and put it in my pocket with my hand, you don't need it, don't talk nonsense there!"

Zynn listened, convinced to bend down, extremely carefully he pinched an edge of the ball of the toilet paper, spread it a little bit, and found that indeed it was not used before, sighing with relief, he put the toilet paper in his pocket.

Not afraid to say it, since he came to Syria, he has not used such soft toilet paper.

The soldier saw him put his toilet paper into his pocket and said with a contemptuous face: "All right, I'm not going to bother with your nonsense, hurry back to your room!"

Zynn is also full of displeasure, turning his head to go back, suddenly the entire base sounded with ear-piercing air defense sirens.

Although he had never experienced war, Eastcliff had often conducted air defense drills before, so as soon as the noise came out, he asked the soldier nervously,

"What's going on? What's going on? The enemy is coming to attack?"

The soldier was also very nervous and blurted out,

"The air defense siren is not necessarily an air raid, our commander has stipulated that the air defense siren will be sounded as long as the enemy is found within a 30-kilometer radius in the vicinity!"

"Fck"

Zynn panicked, he could not remember how many dirty words he said today, he only knew that once Hamid's base is attacked, then his own life would be in danger, bullets and shells are not long-eyed.

In case a shell blasted down If a shell comes down and kills him, who would he talk to?

At that moment, a voice suddenly came from the soldier's intercom, the soldier immediately picked it up and listened for a while.

Then he immediately jumped down from the wall, pulled Zynn's collar, and dragged him out, saying as he walked:

"A large number of government troops are found 30 kilometers south of the base, it is estimated that the war will start! You quickly follow me to the mountain!"

Zynn slapped his head and said in a depressed voice: "Fck I'm not going! I don't know how to fight, why do you want me to go up the mountain?"

“The bullets don’t have eyes, in case one takes me out, how will your commander explain to Charlie?”

The soldier blurted out, “Who asked you to go to war? I am taking you up the mountain, of course, to take you to hide in the anti-slope pit!”

“The commander has just given an order for everyone to enter the designated backslope pit within 30 minutes, if you want to stay here and take the shells, then you can stay!”

After saying that, the soldier let go of him, turned his head, and walked out.

Only then did Zynn remember that the backslope pit itself was not a fortification?

The shells are difficult to hit the backslope, and even if they do, they can’t blow up the pit dug into the mountain and reinforced with concrete.

Therefore, if the army really attacked, it is definitely safest to hide in the anti-slope pit!

Thinking of this, he hurried to catch up with the soldier and said with a quiet face: “Brother, brother, don’t be angry, I’ll come with you, alright?”
