

# When She Stops Playing Nice Chapter 81

## Chapter 81

Ruby found it unbelievable. However, she still chose to believe Gina firmly. "In the first place, you were the ones who were at fault. Are you still trying to go back on your word?"

Mike was furious. Just as he was about to curse them, he suddenly noticed the bag in Ruby's hand. If he was not mistaken, that was HowNET

"Oh you're carrying Hossen? Then you two shouldn't be short of money. Why are you rushing to extort us? But your methods are too bad. I originally planned to compensate you with one thousand dollars, but now, I won't give you any money!" Mike said.

Mike thought. I almost got scammed! He looked impatient.

Ruby thought. Is this Hossen?"

Ruby was stunned. She had heard of this brand before. A bag cost over 20 thousand dollars.

She said in a dare, "Gina. Is this bag that expensive? It's too valuable. I won't use it in the future. Take it back, put it away!"

Gina did not expect Ruby's attention to be attracted by the price of the bag. She said calmly, "Ruby, I still have a lot. You can use it. Don't feel burdened. Just use it."

"Did you buy it yourself?" Ruby asked.

"No, someone gave it to me," Gina said.

Ruby understood that the person Gina was referring to should be Gabriel.

When Mike heard their conversation, he started to allow his fancy to run wild. He said sarcastically, "So someone bought it for you. You must have spent a lot of effort, right?"

Gina looked at Mike coldly. She could hear the malicious intent in his words. "What do you mean? Just say it."

Mike snickered and exchanged glances with the workers behind him. After exchanging a tacit look, he said to Gina with disdain, "You spent a lot of effort in bed. Otherwise,

how could you coax them? Those rich old men bought bags for you, right? You are quite good-looking, but it turns out that you're the kind of woman who is shameless. You know how to use your beauty to make money, right?

"How much for a night?" Mike asked nastily. At the same time, he began to size up Gina. The way he looked at Gina was as if he was sizing up an item, not a person. "After they made love with you, they would buy a bag for you, right? I think you're indeed quite beautiful. It's worth it."

The more Mike spoke, the more excited he became. He even sneered.

The next second, a crisp slap sounded. Ruby couldn't take it anymore and slapped Mike. Mike was stunned.

Ruby pointed at Mike's nose and scolded, "Don't insult Gina, you idiot!"

Mike was furious. "D a m n you, you slapped me! You're courting death!"

Mike raised his leg and kicked Ruby in the stomach. Ruby fell to the ground in pain. Everything happened too quickly. Without giving Gina time to react, Mike still wanted to hit Ruby.

C i n a quickly shielded Ruby behind her. Cin a was angry and she said, "You're the one who's courting death!"

Chapter 81

Mike did not panic at all and said shamelessly. "You b\*\*h. You're quite arrogant. Come. Kill me?"

84%

He didn't believe that he couldn't defeat a woman. He even said ruthlessly. "Let me tell you, I won't be soft-hearted when I hit you. If you're c\*\*d by me, can you let me do whatever I want without charging?"

Mike laughed out loud. He was always talking about that kind of thing.

Gina could not be bothered to talk nonsense with him. She raised her leg and kicked Mike's lower body, hitting Mike's knee. Then, everyone heard a clear sound of bones shattering.

Mike screamed painfully. He lost his balance and fell to the ground.

It hurts, it hurts too much!

Mike shouted. “**Bh, fg.....**”

He thought. “Why is she so powerful? She looks so short!

Mike gritted his teeth and looked at the workers behind him. He said, ‘Help me deal with these two women. If anything happens, I’ll be responsible!’

Then, Mike looked at Gina and said fiercely. “You two, just wait. I won’t let you get any compensation!”

Gina said coldly, “I can stop your resort project.”

Mike laughed in disdain. “You’re f\*\*g crazy. Are you crazy? Do you know who we are backed by? It’s the leading real estate company, the Bush Group! Can you make our project unable to continue? Who do you think you are? Do you have the ability?”

After saying that, Mike looked at the workers behind him. “You guys f\*\*g attack them! Beat them up! I’ll reward each of you with six thousand dollars!”

Six thousand dollars was already a lot for these workers who did manual labor for fifty dollars a day.

Naturally, some people were tempted. They wanted to hit Gina and Ruby,

Some workers felt that they should not earn such heartless money and were unmoved.

A few workers could not resist the temptation of six thousand dollars and went forward to hit Gina and Ruby.

Gina looked at them calmly. Just as the workers were about to approach, a figure blocked Gina.

Gabriel was here.

He waited at home for a while. He felt that the time he spent apart from Gina was difficult to spend, so he came to the back. of the mountain to look for them.

Gabriel looked coldly at the approaching workers. He opened his mouth slightly and he said coldly, “Get lost.”

The workers were stunned by Gabriel’s aura.

“Just mind your own business! You’re acting like a hero saving them in distress, aren’t you? I’ll beat you up too!” Mike shouted.

Gabriel looked at Mike coldly and suddenly said to the workers, “Go and beat him up. I’ll give you three times the money.”

10:58 Thu, 23 May

## Chapter 81

The workers were stunned.

They thought. What is going on? Three times, that is eighteen thousand dollars!

The workers’ eyes widened.

Mike was stunned. He did not expect the other party to do such a thing!

Mike said, “D a m n it. I told you not to meddle in other people’s business. Are you deaf?”

Mike looked at the workers and understood that they were a little tempted by the other party’s price.

In fact, the gazes of the workers landed on Mike, as if they were planning to hit Mike.

Mike panicked. His leg hurt terribly. He gritted his teeth and said, “How dare you betray me? How dare you hit me? I’ll make you suffer! I have a relative who’s a higher-up of the Bush Group. If you hit me, you’ll get money, but you won’t be able to spend it!”

Those workers were really stunned by Mike’s words.

“So, you’re the Bush Group’s construction team?” Gabriel’s deep eyes narrowed and said.

Mike thought that he was afraid after hearing the Bush Group’s name!

Mike sneered. “Yes, it’s the famous Bush Group! Are you afraid now?”

## Chapter 82

“What’s your name?” Gabriel suddenly asked.

Mike was a little stunned, but with so many people watching, he didn’t want to appear cowardly. He deliberately said loudly, “Tm Mike, what’s wrong?”

Gabriel's expression was cold. "You said that someone in your family is a higher-up of the Bush Group. Who?"

Mike panicked and swallowed his saliva, but he was still stubborn. "Do I need to tell you? As long as you know that I'm someone you can't afford to offend!"

Gabriel sneered. "Is that so? Then I'll help you ask your relative if he can protect you today."

"What do you mean?" Mike panicked.

Gabriel took out his phone and called Jabari, the president of the Bush Group. The two families were friends. Although the two of them couldn't be said to be very familiar with each other, they were friends.

Jabari said, 'Gabriel, it's rare. You actually called me.'

"Hello, sorry to disturb you. I have something to ask you," Gabriel replied.

Jabari said, "Sure, ask away."

"Do you know Mike? He said that his relative is one of the higher-ups of the Bush Group. I'm here to ask if it's true," Gabriel asked.

Jabari thought for a moment. He had a better memory and immediately denied it. "No, but this Mike seems to be a small manager of one of our construction teams. He's not related to our leadership."

Gabriel said, "Alright, I understand. That's all for now. Goodbye."

Gabriel was on speaker. Everyone present heard it clearly and understood that Mike was just bragging.

Mike was completely flustered. He thought, Who exactly is this tall and extraordinary man in front of me?"

Mike really wanted to go back in time and slap himself a few times for talking nonsense just now.

Mike should have known that the man's identity was not ordinary!

Before Mike could think of a way to beg for mercy, his phone rang. He picked up the call from his immediate superior in

fear..

The moment the boss opened his mouth, he cursed, "Mike, do you f\*\*g want to die? Do you know who you've offended? You've offended the president of Jackson Group, Gabriel Jackson!"

Gabriel Jackson?.

Mike felt that he almost died, and it was difficult for him to recover from his shock for a long time.

Until his boss announced that Mike had been fired.

Then, his boss hung up as if he was afraid that he would be implicated.

## Chapter 82

Beads of sweat appeared on Mike's forehead. Ignoring the pain in his knee, he quickly got up and knelt down in front of Gabriel again. "Mr. Jackson, I'm sorry. I was rude and looked down on you just now. Please forgive me this time!"

Gabriel didn't care about Mike's begging. Instead, he turned his head and looked at Gina with a gentle expression. "Gina, how do you plan to deal with him?"

Gina said. "Call the police. He destroyed my medicine land, and we'll consider it as intentional damage to someone else's property. Also, he hit Ruby."

Actually, Gina was not very angry about the destruction of the medicine land. It was mainly because Mike had kicked Ruby, which had crossed her bottom line.

"Okay," Gabriel replied.

When he heard that they were going to call the police, Mike was so scared that he cried bitterly. "Mr. Jackson, Miss Miller, please let me go. I can compensate you. I can kneel down to apologize to you. Don't call the police, okay? Don't call the police!"

Gina and Gabriel couldn't be bothered with Mike and directly called the police. Soon, the police came and took Mike away.

After settling the matter, Gina checked the medicine land and found that there were still some medicinal herbs that could be used. It was still enough to make a bottle of potion for Neil.

Back home, Ruby mysteriously pulled Gina into the room.

Gina saw that Ruby didn't look too good and asked with concern, "Ruby, what's wrong? Are you injured? Are you feeling unwell?"

Ruby shook her head and said. "Gina, tell me about Gabriel's identity."

"President of Jackson Group," Gina replied.

"The top ten company in the world?" Ruby was in disbelief. Although she did not know much about business and did not care much, she had heard about it. After all, Jackson Group was a company that had made its fortune in their city.

"Yes, it is," Gina said calmly.

Ruby's expression became solemn.

It was as if she was worried about something.

Gina was a little puzzled. "Ruby, what's wrong?"

Ruby smiled, but her expression was a little unnatural. "I'm fine."

After dinner, Ruby said to Gabriel, "Mr. Jackson, I'm sorry. There is only my room with Gina at home. It's not suitable for you to sleep in the living room. Why don't you go to town and book a hotel? I'm afraid you won't be used to sleeping here."

Gabriel felt that Ruby had suddenly become exceptionally distant from him.

Even the way Ruby addressed him had changed to Mr. Jackson.

Gabriel said, "Ruby, it's fine. I'll sleep on the sofa."

"You can't," Ruby said.

Chapter 82

Gabriel opened his mouth, not knowing what to say,

He said. "Gina, help me persuade Ruby, I'll sleep on the sofa. It's really okay

Gina also felt that there was no problem. "Ruby, let him stay."

Ruby was deep in thought. She sighed softly and said to Gina, "Gina, go to sleep first. I want to talk to Mr. Jackson."

"Okay" Gina nodded and entered the room.

Gabriel and Ruby sat opposite each other.

Ruby had a serious expression on her face. She was not as kind as when they first met.

84%

Ruby said. "Mr. Jackson, regardless of whether it's your family background or personal ability, you're outstanding. However, Gina isn't bad even though our family backgrounds are different. If you're not sincere towards Gina, don't be together with her."

Gabriel was stunned. He did not know whether to laugh or cry. He even felt like he was meeting his girlfriend's parents. However, Gina had yet to agree to be his girlfriend.

Gabriel's eyes were sincere. He said, "Ruby, I'm sincere to Gina."

"Will you marry her? Will your family agree to it?" Ruby asked seriously.

At first, Ruby thought that Gabriel was just a small boss of a small company. That was fine. She felt that the gap was not that big. She did not expect that Gabriel was the president of Jackson Group. In terms of family conditions, the gap was huge.

Ruby was afraid that Gabriel was not sincere to Gina. It was just that Gina was good-looking and outstanding, so Gabriel wanted to be together with Gina. In the future, he would still marry a girl of equal status, which was a business marriage.

Although Gina could not be very ignorant, she had never been in a relationship before. Ruby was worried that Gabriel would be a s\*\*g who abandoned Gina after having an affair.

Gabriel could also guess what her concerns were. He said, "My father likes Gina very much and hopes that she can become my wife."

Ruby was stunned. "Really?"

"It's absolutely true. Gina is so outstanding. It's hard not to like her," Gabriel said seriously.

## Chapter 83

Ruby nodded. "That's true."

She thought. Those who don't like Gina could only say that they have poor taste

Ruby cleared her throat and sat up straight. She said, "Alright, I'll believe you for the time being. You're sincere to Gina. However, Mr. Jackson, I'll say this first. If you're lying today and if you let Gina down in the future, don't think that Gina doesn't have a family and is easy to bully."

"Okay. Ruby, you don't have to worry about matching my family background. Just like you said, Gina is very outstanding. She's more than enough to match up to me," Gabriel said sincerely.

Ruby was deep in thought. She thought of the medicinal herbs that Gina said she planted, the market price was sixty million dollars.

"Gina is hiding a lot of things from me. But who doesn't have any secrets? If she does not want to tell me, I will never ask further. Perhaps I'm overthinking, but I love her so much, Ruby thought.

Ruby finally relaxed and relented. "Alright, if you don't want to stay in a hotel, you can stay in the living room. I'll get you a

blanket."

"Sorry to trouble you, Ruby, Gabriel said.

Ruby replied, "You're welcome."

Gina walked out of the room and subconsciously asked, "What did you guys talk about?"

She had never been a gossipy person. For the first time, she felt a strong sense of curiosity.

Gabriel smiled gently and said, "I was scolded by Ruby.

"What? Why should she scold you?" Gina was a little confused.

"She's afraid that I'm a bad man who'll cheat you, Gabriel said.

Gina's heart warmed. Then how did you answer?"

"I said that I pursue you because I want to marry you. And I'll never lie to you. Gabriel's eyes were filled with sincerity.

Gina was a little embarrassed by his burning gaze. She looked away and tried to say calmly, "You can't lie to me."

Gabriel smiled. "I can tell that Ruby wants to test me. I will perform well in front of her."

Gina felt the burning sensation on her cheeks again. In fact, her heart was beating faster.

This kind of abnormality had happened more and more frequently since they got closer. Her emotions also more easily fluctuated because of Gabriel.

She didn't know if such a change was good or bad.

"But I think there are other empty rooms in the house. Why can I only sleep in the living room?" Gabriel did not know whether to laugh or cry.

10:59 Thu, 23 May

## Chapter 83

Gina frowned slightly and said, "Those empty rooms belong to Ruby's deceased son and husband. She only goes in occasionally to clean up.

Gabriel felt like he had misspoken "I was just joking. The living room is pretty good

Ruby came out with a blanket and gave it to Gabriel. Then, she urged Gina to go back to her room to sleep.

There was a knock on the door.

Olivia seemed to have seen a life-saving straw. She opened the door excitedly and saw that Lucas had really brought Noah

over.

"Noah!" Olivia cried and threw herself into Noah's arms.

Noah pushed her away in disdain.

Olivia was stunned. She looked at Noah again. She thought, 'Is he complaining that I am dirty?'

Lucas said. "Miss Miller, have a good chat with Mr. Noah."

"Okay" Olivia tried her best to suppress the displeasure in her heart and remain calm.

Olivia said. "Noah, come in quickly."

Noah walked into the room with a cold expression.

"Noah, is Mom okay? How about the other brothers?" During the two days, she stayed in the hotel, Olivia was so frustrated that she was crazy. She did not dare to surf the Internet.

Because of Jason's live broadcast of Olivia's engagement party, the scandal about her spread even more widely. Of course. Jason was also seriously affected. Now, the trending topics on the trending list were all about the top idol having an indec

sister

Many brands announced that they would terminate their contracts with Jason.

Olivia was afraid that the Miller family would abandon her completely. She kept calling the Miller family people, but none of them responded to her.

She didn't know what to do.

Lucas said that he could help her bring Noah over. Olivia did not believe it at first.

Olivia really did not expect that Lucas would become the only person she could rely on after she was down and out.

Noah said coldly. "What do you think?"

What he meant was that you still have the face to ask.

This time, Olivia really couldn't help but cry. "Noah, I really know my mistake. I didn't expect things to turn out like this. I was wrong, but Cin a went too far. She insisted on releasing those things in front of everyone. She didn't just want to destroy me, but the entire Miller family! She didn't treat y

guys as family at all!"

Noah felt that what Olivia said made sense.

\$10:59 Thu, 23 May

Chapter 83

Now, the Jackson family had canceled the engagement. If Olivia married into the Jackson family, Noah had originally wanted to rely on the Jackson family's resources to help Miller Jewels tide over the crisis. Now, everything was ruined.

Olivia said, "Noah. I want to go home"

Noah turned his face away and said. "Ella doesn't want to see you now."

Olivia secretly clenched her fists. She thought, 'Isn't it just because she sees that I am no longer useful?

In the past, she called me dear daughter. She said that the mother-daughter relationship of over twenty years could not be severed even if we were not related by blood. It was all a lie!

However, Olivia was unwilling to give up. She had long regarded everything in the Miller family as hers.

"Noah, can you help me? Help me!" Olivia threw herself into Noah's arms and said pitifully, "Noah, I know you dote on me the most. Are you really willing to abandon me?"

Noah originally wanted to push Olivia away. After all, after knowing that Olivia's private life was so messy, he disliked her.

However, he suddenly felt the softness of Olivia's body. She rubbed against his arm. His body stiffened and he suddenly did not want to push her away.

Noah's face was still cold. "How can I help you?"

"As long as you act with me," Olivia said hesitantly.

She whispered her plan into Noah's ear.

When Noah heard this, he frowned fiercely. "Are you going to lie endlessly?"

Olivia started crying and said, "This is the only way I can think of now."

She grabbed Noah's arm. "Noah, please help me."

When Noah heard Olivia's coquettish voice, he swallowed his saliva and could not control himself.

"What do I get if

help you?" Noah suddenly asked.

Olivia was stunned. She suddenly felt that the Noah that she had called him brother for so many years had become a little unfamiliar.

## Chapter 84

Olivia was stunned and asked, "Noah, what benefits do you want?"

Noah sized Olivia up with his ambiguous eyes.

Olivia was a very open-minded person. How could she not understand the look in Noah's eyes? She was still disgusted. The person she had called her brother for so many years actually had such thoughts about her.

Ad Here

However, Olivia also knew that Noah treated her better than others. That was why she often told Noah that he was her best brother.

Back then. Olivia had also used this method to coax Noah into agreeing to change the design draft of C\*\*\*a to Olivia's

signature.

Olivia did not expect that what she had done in the past would hurt her in the future.

Noah looked at Olivia's unwilling expression and suddenly lost interest. He pretended to get up and leave. "It's fine if you don't want to. I don't want to force you!"

Olivia grabbed Noah's arm. "Sure!"

Noah sat down and asked, "You're not sick, right?"

Ad Here

Olivia widened her eyes and felt humiliated. Noah asked as if she slept around,

Olivia suppressed the dissatisfaction in her heart and forced herself to calm down. "Noah, I'm not sick. I have a physical examination every year.

"Alright. Then he was relieved.

Half an hour later, Noah put on his clothes. He had to admit that Olivia was quite impressive in that aspect...

It was a different kind of experience.

Olivia pulled the blanket to cover her body. She asked, "Noah, you will help me, right?"

"Don't worry, Noah said.

With that. Noah left

Olivia felt a little troublesome. She was not related to Noah by blood, it was not a big deal for her to make love with him.

However, she felt that the relationship she had with Noah had changed substantially. They were no longer just siblings.

After a while, there was a knock on the door. Olivia got dressed and stood up to open the door. "Noah, did you forget something?"

Olivia opened the door and saw that it was indeed Lucas.

Lucas, what's wrong? What's the matter? Olivia said.

"Miss Miller, why did Mr. Noah stay inside for so long? Although you're siblings, you're all grown up now. It's a little inappropriate."\*\*'s words irritated Olivia.

10:59 Thu, 23 May:

Chapter 84:

Why do you care so much? If there's nothing else, don't bother me Olivia closed the door impatiently. She found it strange Lucas was just a s\*\*t. Why did he have to put on airs and lecture her like an elder?

Did he not know his status?

Looking at the closed door, \*\*'s face darkened.

Gina finished preparing the potion. Ruby also packed her things and signed a contract with the new manager of the construction team to agree to the demolition.

Gabriel became a driver again.

Back in the city, Gina gave Gabriel the potion and asked Gabriel to bring it back.

Before he left. Gabriel said to Gina, "Gina, you can bring Ruby to our house for dinner. Neil has also been discharged."

"Okay," Gina replied calmly.

Gabriel left reluctantly.

After Ruby entered the apartment, she was a little surprised. She thought. The house must be very expensive!”

“Gina, when did you buy this house?” Ruby asked curiously.

Gina said. “I bought it a long time ago. It’s just that I’ve been staying in the dormitory previously and didn’t come over to stay. Ruby, actually... I have some money.”

There were many things that Gina could not tell Ruby. She could only mention it tactfully so that Ruby would not always worry that Gina did not have money.

Ruby smiled and said, “I know. You are very outstanding. It’s normal for you to be rich.”

She did not question Gina’s money. She did not ask further or doubt Gina. She only praised Gina. Gina was very outstanding and it was only right for her to know how to earn money.

Gina had the feeling of being trusted.

She thought, “Ruby is like my real family.

The phone rang

Gina had never answered unfamiliar calls, but Gabriel said that he occasionally used a non-personal phone number, so Gina thought that it might be Gabriel calling, so she answered.

“Hello?” Gina said.

“Gina, let’s meet and talk!” It was A\*\*e.

Gina did not hang up the phone immediately on account that A\*\*ie was an elder.

“There’s no need, right? What’s there to

talk about?”

A\*\*e said, “Are you hiding from me because you feel guilty! You also know that what you did was too much. You made our Jackson family lose face. Ethan also loses face. He’s hiding at home and doesn’t dare to go out to meet anyone. You have to

be responsible for this matter. It's useless for you to hide from me. As long as you still have connections with Gabriel, we will have a chance to meet, right?"

From A\*\*'s tone, Gina knew that if she did not meet A b b i e , A b e would not let the matter rest. Gina hated entanglement

the most.

Gina asked, "Where are you?"

A\*\*e quickly sent the location of a cafe to Gina.

Fifteen minutes later, Gina met Abbi e..

A\*\*'s face was cold. She said. "What you did at Ethan's engagement banquet caused serious damage to Ethan's reputation. Let me tell you, I can sue you, but I don't want to deal with it like this now. I'll give you a chance to atone!"

Gina's eyes were filled with confusion. "Atonement?"

"Yes, atonement!" Abbi e said righteously.

"Ethan is depressed all day long. I think he's about to have psychological problems. He might develop depression. That's all your fault," Abbi e said angrily.

"I'm not aimed at him for no reason. He knows very well what he has done. He has done many things like spreading rumors and slandering me. He deserves all of this," Gina said calmly.

Abbi e did not care if Ethan was at fault or not. She said bravely, "Don't talk to me about such nonsense. I've thought of the best way to resolve this crisis. That is to announce to the public that what you did was because you were unwilling to accept that Ethan wanted to marry Olivia. Everything you did was to let Ethan back, and those photos were photoshopped by you. You did it to slander Ethan."

Gina raised her eyebrows. She did not expect A b b i e to say such ridiculous things

"No way." Gina rejected directly.

A b i e gritted her teeth in anger. She felt that Gina refused because she did not give Gina the money. She threw out a bank card. "Is one million dollars enough? As long as you make a statement, it's yours!"

She did not believe that a village girl could resist the temptation of one million dollars. One million dollars was too much.

for Ci\*\*a!

“You think it’s too little? Have you ever seen so much money in your life? Let me tell you, don’t bargain with me here. Otherwise, you won’t get any money!” A\*\*e said angrily.

Chapter 85

Gina said nonchalantly, “I don’t want it

A\*\*e was furious. She trembled and tried her best to calm down. Then, she sneered at Gina and said, “You don’t really think that Gabriel can marry you and let you enjoy wealth and glory, do you? Let me tell you, stop dreaming!

“In the future, it’s hard to say if Gabriel will have the chance to run the Jackson Group! Don’t be ungrateful. Do you think you can be willful just because Gabriel is on your side? Let me tell you, it will change sooner or later!”

Gina narrowed her eyes and thought about what A\*\*ie meant.

Gina thought, Does someone want to s\*\*h Gabriel’s position?”

Gina suddenly thought of what Dylan had said. The Jackson family was also messy. Many people wanted to become the Jackson Group’s president.

However, Gina felt that there was more to the meaning of A\*\*e’s words.

At this moment. A\*\*e probably realized that she had said something wrong. With a cold expression, she took back her bank card and said. “You’ll see!”

engagement

At the Miller family, Jason was originally holding a global concert tour, but because of the matter of the banquet, the company asked him to avoid it. The concert could not continue, so he returned home in advance.

At this moment, the Miller family looked lifeless.

Jason took a sip of water. With a dark expression, he smashed the cup on the coffee table. "Gina is a scourge! My acting career is going to be ruined by her! Olivia is messing around with men. How can it be so messy?"

Jason was furious. In the past, he had always called Olivia intimately, but now, he had changed the tone he addressed...a.

Noah spoke up for Olivia. "Jason, Olivia is still young and insensible after all. It's normal for her to make mistakes. As her older brothers, we naturally have to understand her, right? I think she has reflected enough these few days outside. It's time for her to come home!"

Noah glanced at Ella who was sitting on the sofa on the other side, and observed Ella's reaction.

Ella's face was cold and she said, "Why does she come back? Hasn't she embarrassed herself enough?"

Noah braced himself and said, "Mom, Olivia really knows her mistake. Besides, I have good news to announce to you today."

"What?" Ella was puzzled.

Noah said, "Olivia worked hard to draw the design draft. After showing it to Elsen, Elsen felt that it was very likely to surpass the Wish collection. Therefore, he decided not to withdraw his investment."

Ella was stunned and she said, "Didn't Elsen say that this draft should be even better than the Wish collection?"

Ella thought, "Wouldn't that depend on sales? But now, Elsen had only looked at Olivia's design draft before he changed his mind and decided not to withdraw his investment"

Ella felt that something was amiss.

84%1

Noah coughed unnaturally. "Perhaps Elsen was moved by Olivia's talent in design. He saw a lot of potential in Olivia, just like how he saw the bright future of our Miller Jewels. That's why he changed his mind,"

Noah was also racking his brains to think of a way to smooth things over.

"It's true?" Ella was skeptical. In fact, Ella felt that Olivia's design was not as good as Gina's. In the past few days, Ella even had the urge to let Gina back. After all, Gina was the Wish collection's real designer.

For some reason, Ella felt that no one could surpass Gina.

However, when she thought about how Gina had taken revenge on the Miller family, Ella hated Gina. She could not force herself to look for Gina.

The Miller family was really turned upside down by that unfilial Gina.

"Of course it's true!" Noah was a little unconfident.

To prove that what he said was true, Noah took out his phone and called Elsen. He put the call on speaker.

He said, "Mr. Frost, you've seen Olivia's draft, right? You're quite satisfied. Have you confirmed that you won't withdraw your investment?"

"Yes. Olivia's design made my eyes light up. I think it can completely surpass the Wish collection!" Elsen said.

It was indeed Elsen's voice.

However

for some reason, Ella felt that Elsen's voice sounded unnatural and a little strange.

However, perhaps it was because Elsen spoke with an accent. Ella did not think too much about it.

"Mr. Frost..." Ella still wanted to speak to Elsen, but Noah hastily hung up.

"Why did you hang up? I still want to talk to Mr. Frost, Ella said..

Noah said helplessly, "Mom, Elsen is in charge of a big company like Dale Group. How would he have the time to chat with you?"

'That's true.' Ella thought.

“Have the funds returned?” Ella asked with concern.

“Yes. They’re all returned, Noah said.

After James’s accident, Miller Jewels had always been managed by Noah alone. Ella did not distrust Noah. When she heard. Noah say this, she breathed a sigh of relief. Her mood was not so irritable anymore.

Ella took a deep breath and said, “That’s good, that’s good.”

“Mom, this is all thanks to Olivia,” Noah emphasized.

Ella relented, “Let her come back.”

Half an hour later, Olivia returned to the Miller family from the hotel.

Chapter 85

“Mom!” Olivia cried and threw herself into Ella’s arms. “I thought you didn’t want me anymore?”

Ella patted Olivia’s back. She said, “Silly child, how could I not want you?”

Ella sized up Olivia. “It’s only been two days since we last met. Why do I feel like you’ve lost weight? Did you stay up late to draw? Noah told me that your design draft has been recognized by Elsen. Elsen has decided not to withdraw his investment.

“Look at how haggard you are, my poor girl. I’ll get the kitchen to quickly make some delicious food for you.”

Seeing that Ella’s attitude towards her had become the same as before, Olivia heaved a sigh of relief. She looked at Noah and the two of them exchanged a tacit look.

Olivia said, “Jason, why are you back....

Jason’s face darkened. “It’s all because of you!”

Olivia was aggrieved and fell silent. Her eyes turned red immediately.

Noah chimed in, Jason, don’t forget that it was Olivia who helped you write and compose a song back then. You only became popular now!”

Back then, Jason was not popular in the entertainment industry. He had always felt that he was unlucky. To help him solve his problems. Olivia wrote a song for him. Jason did

not expect it to become popular. From then on, he was the top idol. Previously, Jason even asked Olivia to be in charge of writing lyrics and composing music for him from now on. However, Olivia said that she preferred jewelry design. She was just improvising and rejected him.

Jason pursed his lips. In the end, he still remembered this favor, and his expression softened a little.

## Chapter 86

Noah continued, "Besides, can't you just deal with your matter? Olivia's matter has nothing to do with you."

It meant that Olivia was sleeping around. Jason was fine as long as he didn't do something wrong as an idol.

At the mention of the wedding banquet, everyone looked a little awkward.

In order to case the atmosphere, Noah said, "Olivia, you're really too s\*\*d. Even if you knew that Ethan was fooling around outside, you can't take revenge on him by sacrificing yourself, right?"

Noah's eyes hinted at Olivia. She immediately understood.

"I was muddle-headed. I think only an eye for an eye can be considered revenge!" Olivia pretended sad and could not stop

crying

The Miller family people also chose to believe her.

“Who hasn’t made some mistakes when they were young? If we want to blame someone, blame Gina for using such a disgusting method to take revenge on our Miller family! Everyone tacitly vented their anger on Gina again.

“My career has been seriously affected. I won’t forgive Gina!” Jason said fiercely.

“Jason, are you going to settle the score with Gina? You’d better not fight her head-on. She’ll hit you.” Olivia looked like she was telling him out of goodwill.

Jason also knew that Gina had broken Liam’s ribs. He sneered. ‘I have plenty of ways to deal with her!’

“You’d better have some ways, Olivia muttered in her heart. It was already not easy to deal with Gina since she knew how to beat people up, let alone now that she was clinging to Gabriel.

After Ruby moved in with Gina, the apartment became more lively.

Im going to buy groceries to cook,” Ruby said.

“Ruby, I’ll go with you. The two of them arrived at the market.

When she met an enthusiastic passerby, she asked Ruby if the person beside her was her daughter.

Ruby smiled and nodded. “Yes.”

The passerby praised, “You’re really lucky to have such a beautiful daughter. Does she have a boyfriend? I have quite a few good young men here that I can introduce to her!”

“No need, no need.” Ruby helped Gina refuse.

No matter how outstanding the man was, could he be more outstanding than Gabriel?

Ruby looked at Gina lovingly and said, “Dused to think that I would never be able to enjoy the joy of family in my life again. Perhaps G\*\*d took pity on me and let you come to my side.”

Gina held Ruby’s hand tightly. The two of them looked at each other and smiled.

Chapter 86

Ruby looked around and saw where the vegetables were fresher.

Suddenly, she was stunned as she stared at a man's back. She let go of Gina's hand and quickened her pace to catch up.

"Ruby?" Gina was stunned for a moment before following.

"Stop right there!" Ruby called out to the man in front of her. She was very sure that she was not mistaken. However, when he turned around, she was stunned. The man in front of her was not the person she thought he was.

Ruby was filled with anger. However, the anger did not vent.

"Lucas?" Gina looked at the man holding the groceries.

When Lucas saw Gina, his expression turned ugly. He snorted and looked at Ruby.  
"What's the matter?"

"... Nothing." Ruby said hesitantly.

Lucas was very impatient.

Gina saw that Ruby seemed to have recognized the wrong person, and she didn't want to talk to Lucas at all. She said to Ruby, "Ruby, let's go."

Ruby was a little dejected. "Okay."

At this moment, Lucas opened his mouth and mocked, "Miss Miller, you don't acknowledge your biological mother, but you acknowledge this woman as your mother?"

Gina turned her head expressionlessly and looked at Lucas coldly. She said, "If you don't speak, no one will think you're mute. But if you spout nonsense, you might become a mute."

Lucas was shocked by Gina's sharp gaze. He subconsciously swallowed his saliva and came back to his senses. He wanted to slap himself again. He was already so old and had experienced a lot. How could he be frightened by Gina?

Lucas sneered. "Miss Miller, I might as well tell you some good news. Do you think that when you cause trouble at Olivia's engagement party, she can disappoint Ella and others? They are family members who have lived together for more than 20 years. They

have long stopped taking this matter seriously. Olivia is still the treasure of the Miller family.”

Lucas sounded a little smug.

Gina did not understand what he was so proud of

She said nonchalantly, “As expected, evil doers collude with one another. It can’t be stopped.”

“How dare you...” Lucas didn’t say the latter words. After all, he knew Gina’s power. His current body really couldn’t withstand.

IL

“I advise you not to break up Olivia and her family. You won’t succeed!” Lucas said fiercely.

Gina was a little confused. She had never planned to do this. No matter how close Olivia was to them, it had nothing to do

with her.

Gina ignored Lucas and left with Ruby.

“Ruby, did you recognize the wrong person just now?” Gina asked.

Chapter 86

Ruby came back to her senses and said. “Yes, I thought...”

Halfway through her sentence, Ruby choked up. Gina frowned and looked at Ruby worriedly. Ruby quickly composed herself and said, “It’s fine, it’s fine

Gina understood that Ruby had thought of something sad and was unwilling to say it.

“I’m going to buy groceries,” Ruby said to divert attention. Gina quietly accompanied her.

After lunch, Gina received Neil’s message on WhatsApp. [Gina, when are you free? Come and see me.]

Gina: [Sure, next time.]

Neil: [The next time? When is it? I heard that Ruby moved in with you. Let her come to my house to play, okay?]

Gina's original intention was to spend more time with Ruby at home. Neil was a respectable elder. Gina was not against interacting more with Neil. Moreover, she felt that as one got older, they might often feel lonely. Therefore, Neil would say that he wanted to see Gina and send messages on WhatsApp. His words were filled with anticipation.

Gina could not reject this expectation.

"Ruby, do you want to take a look at Gabriel's house?" Gina asked.

Ruby's eyes widened. "What? So fast?"

Gina was stunned and she said, "What do you mean?"

"The parents of both parties are meeting so soon? Isn't it too fast? It's not appropriate!" Ruby said.

Gina did not know whether to laugh or cry. She had only asked Ruby if she wanted to take a look.

Ruby said earnestly. "Right now, you and Gabriel are only at the stage of getting to know each other. If I meet his parents, no matter what. I'll have to wait until you and Gabriel reach the stage of discussing marriage!"

Chapter 87

Marriage?

It was Gina's turn to be shocked. She felt that this kind of thing was still far away from her.

She thought, Would I marry Gabriel?

Ad Here

She had no idea either.

You can

go if they ask you to, but I won't go. But remember to go home early!" Ruby reminded her seriously.

Gina went to the Jackson family.

At the entrance of the Jackson family, she bumped into Jasmine.

“What are you doing here?” Jasmine looked at Gina with hostility.

Gina looked at her coldly. This isn't your house. Do I need to tell you that I'm coming here!”

Jasmine choked on Gina's words and clenched her fists. In her heart, she had considered herself Gabriel's girlfriend for

many years.

Gina ignored Jasmine and walked into the Jackson family's old mansion.

Jasmine, who had been completely ignored, was furious.

She quickened her pace and walked in a hurry. After passing Gina, she entered the old mansion first.

“Miss Miller, why are you here? Neil was a little sleepy just now and fell asleep, Isaac warmly welcomed her.

Gina was a little puzzled. Why did she remember replying to Neil about the time she came?

She took out her phone and realized that she thought that she had replied, but she did not.

Gina said, “Is he asleep?”

“Yes, but he is a light sleeper. He'll probably wake up soon. Miss Miller, why don't you wait for a while?” Isaac said.

“Okay,” Gina nodded.

Jasmine coughed twice in dissatisfaction. It was obvious that she had entered first. Isaac actually greeted Gina first, which made Jasmine very unhappy.

Isaac then looked at Jasmine and greeted her politely, “Miss Bush.”

I'm also waiting for Neil to wake up,” Jasmine glanced at Gina.

Meanwhile, Gina did not even look at Jasmine.

Alright, Miss Bush. Please go ahead,” Isaac said casually.

## Chapter 87

Jasmine continued, "Isaac, why don't you ask the kitchen to prepare another meal for me? I want to spend more time with Neil. By the way, when will Gabriel be back tonight?"

Isaac was speechless.

He knew that Jasmine had recently claimed that she wanted to visit and accompany Neil, it wasn't because of the tonic she had given him that caused Neil to be hospitalized. From what he could see, Jasmine didn't feel too guilty about this matter.

Jasmine wanted to curry favor with Neil so that Gabriel would like her and make her marry into the Jackson family.

But Gabriel didn't like her at all!

He couldn't be bothered with her!

If it weren't for the fact that the Bush family was friends with the Jackson family, Gabriel probably wouldn't have allowed Jasmine to step into the Jackson family's old mansion.

Besides, from the way Jasmine ordered Isaac, did she really think of herself as Gabriel's wife?

She began to fantasize.

But, Isaac couldn't directly reject Jasmine's request.

"Alright, Isaac said.

Jasmine's face immediately lit up with pride. She looked at Gina provocatively, as if to say, "Look! I'm the hostess of the Jackson family. All the s\*\*ts of the Jackson family have to listen to me!

Meanwhile, Gina was in no mood to care about Jasmine. She had no idea that Jasmine had so many thoughts in her mind.

Gina sat on the sofa and waited patiently.

To show off, Jasmine walked around in the Jackson family as if she were at her own home. She even said loudly, "Isaac, I'm going to Neil's study to take a look. I want to know what Neil painted recently."

Isaac stopped Jasmine, "Miss Bush, why don't you sit on the sofa?"

He had tried to be tactful. He didn't know why Jasmine was always walking. She couldn't even sit still but wandered around.

It was very rude. Didn't she feel it at all?

"Neil didn't even say that he wouldn't let me in. Why are you stopping me? Why? Do you think I'll steal something? You're guarding against me?" Jasmine said meaningfully.

Isaac was speechless and he thought, Isn't Neil sleeping? Of course, he couldn't say that he wouldn't let her in

"Get out of the way!" Jasmine pushed Isaac away.

Jasmine walked into the study and saw the painting on the desk. There was also a small box on the painting. Jasmine picked up the box curiously and opened it. Then, she smelled something that she thought smelled awful.

She looked at the withered grass in the box and said in disdain, "What's this?"

Isaac, on the other hand, was speechless. Did Jasmine really treat this place as her own home? She didn't look like a lady

Chapter 87

from a wealthy family when she was rummaging around.

There was a very obvious contrast,

Isaac increasingly felt that Gina was a true match for Gabriel.

Isaac thought. Gabriel's business ability is top-notch and his taste is top-notch. He chooses Gina!

Isaac went forward and took the box. "Miss Bush, don't move or act randomly."

Jasmine was displeased and she thought, I have a high status. How dare a s\*\*t like Isaac teach me how to do?

She was furious. She thought, 'On the first day I marry Gabriel, I will fire Isaac, this s\*\*t who has violated me!

Jasmine suppressed her anger, "What? Is this box very expensive? I can't even touch it?"

KS84%會

She thought, 'Is it that precious? I have touched it. If it has broken, I could afford it! Besides, there is nothing inside.

Isaac was speechless. He felt that Jasmine was uneducated.

He thought. Isn't it common sense not to touch other people's belongings?"

"What does Neil use this box for?" Jasmine asked.

Isaac placed the box in the drawer and said, "It is used for a ring"

Jasmine was stunned. "A ring? Why did Neil put a layer of weeds under the box?"

"It's not weed, and Neil didn't put it, Isaac said.

Then who put it?" Jasmine asked.

Isaac said, "Miss Miller. This box is used to store the ring. This ring is a birthday gift from Miss Miller to Neil

Neil really liked the ring that Gina gave him. Other than taking it off when he slept at night and practiced painting, he wore it every day. It could be said that he was too fond of it.

When Jasmine heard that it was from Gina, she instantly felt unhappy. She thought, This b\*\*h must be trying to curry favor with Neil so that she could \*\*h Gabriel from me! What a scheming woman!

Jasmine did not say anything as she walked out of the study. Isaac followed her.

She turned around and glared at Isaac. "Why are you following me?"

"Alright, Miss Bush, can you stop wandering around?" Isaac could not stand her anymore.

Jasmine was angry that a s\*\*t would dare to argue with her. She wanted to throw a tantrum, but she remembered that this place was not her home for the time being. She had to endure it!

She said, "I'll go to the back garden for a walk, alright? Don't follow me!"

## Chapter 88

Isaac was helpless. Jasmine was like a naughty child, making him feel annoyed.

He stared at Jasmine because he didn't want her to mess around with Neil's things. It was as if she really thought of herself as a Jackson family person

Seeing that Jasmine had walked out of the study, he decided to ignore her and went to greet Gina.

Ad Here

Jasmine walked around the house and sneaked back into the study. She opened the drawer, found that box, threw it on the ground angrily, and stomped on it.

She thought, "What that b\*\*h gave him must be a trash! But Neil seems to like it very much...."

Jasmine gritted her teeth and threw the box into the trash can.

Then, she walked out of the study.

Back in the living room, Jasmine saw Isaac entertaining Gina and felt unhappy.

She thought, Isaac must have seen that Neil seems to like this bh, **so he treats her so eagerly! What a snob! Neil is only temporarily bewitched by that bh.** I have to reveal this b\*\*h's ugly true colors and let Neil see it clearly'

Jasmine walked up to Gina arrogantly, "Aren't you leaving?"

Ad Here

Gina looked at Jasmine indifferently and ignored her.

Jasmine crossed her arms in front of her and gritted her teeth. She said, "Can you stop being so shameless? I'm here. Neil has no time for you. Get lost"

Isaac couldn't stand it anymore, "Miss Bush, please be more polite to Miss Miller. Miss Miller..."

"She saved Mr. Jackson's life. Before Isaac could finish his sentence, Jasmine interrupted him, "Why are you interrupting"

Isaac's expression turned ugly.

“The ring you gave Neil is fake, right? There are even weeds in the box. It’s really cheap and smelly. It’s not presentable!” Jasmine spoke without thinking.

Isaac could not help but continue to speak up for Gina. “Miss Bush, it’s not weeds inside. It’s medicinal herbs. Put the ring inside for maintenance. Then wear it, it can benefit the body.”

Isaac could tell that Neil’s health had improved a lot recently. However, the tonic that Jasmine had sent over had caused Neil to be hospitalized.

His body had suffered quite a bit again.

Jasmine thought. It has such an effect? I don’t believe it! He must be deliberately mystifying things.

Jasmine said disdainfully, “Gina, this ridiculous method isn’t a remedy you brought from the countryside, is it? Benefit the body? Who knows if you’ve tampered with it? It might be harmful to Neil’s body!”

“Gina knows more about medicine than you do!” Neil’s displeased voice sounded. He had just woken up and was happy to see Gina when he heard Jasmine speak rudely to Gina.

xtremely wronged. She forced a smile and stepped forward, wanting to

“Neil, Gina isn’t a medical student, not a professional. What if something happens? I’m just concerned about you!” Jasmine racked her brains to say bad things about Gina.

She wanted to reach out and grab Neil’s arm, but Neil quietly avoided her.

Neil looked displeased.

He said. “Do you want me to show you the medical report from before? All the health indicators have returned to normal. My body is getting better and better. If it weren’t for you, there wouldn’t be any problems with my body.”

Jasmine’s body stiffened and she thought, Is Neil blaming me for delivering the tonic?

She sounded like she was about to cry. “Neil, I really didn’t do it on purpose. I was negligent. I’m sorry. Besides, I didn’t go to the Prover Hospital to visit you because of its rules. I didn’t mean to do it. When I heard that you were discharged, I immediately came to visit you.” Jasmine hurriedly explained everything

Of course, Neil knew that Jasmine had made an unintentional mistake regarding the tonic. After all, she was a child that he had watched grow up. Neil did not intend to hold

it against her. However, Jasmine had spoken rudely to Gina, so Neil could not be so tolerant of Jasmine.

“Thank you for visiting me. I’m fine now. I’m fine. Thank you.” Neil’s tone was not very good.

Jasmine felt even more aggrieved and she said, “Neil, don’t say that. Why are you so fierce to me? Neil, what did I do wrong? Tell me and I’ll correct it, okay?” Jasmine’s tears fell.

Neil’s face was cold. “What was your attitude towards Gina just now? If you don’t respect her, you’re disrespecting me!”

Jasmine was shocked and she thought, ‘Neil actually thinks highly of Gina? He wouldn’t treat Gina as Gabriel’s future wife, right? How could that be!’

Jasmine’s mind raced as she tried to think of a way to turn the situation around.

She said, “Neil, I’m not disrespecting her. I’m just... I’m just outspoken. Some of my words might have been too harsh. I didn’t even realize it myself. Miss Miller, if you think that I’ve said something too unpleasant, you can tell me. I can also apologize to you.”

Gina wasn’t angry. Instead, she laughed. She thought, ‘As soon as Neil arrives, Jasmine suddenly changes her attitude from rude to gentle. She even called me Miss Miller?’

Gina retorted, “You’re not outspoken. You’re not thinking before you speak.

you?”

Jasmine thought, ‘Is Gina referring to me as an idiot? Jasmine was furious, but she didn’t want to lose her temper with Gina

Isaac could not help but want to laugh. He thought, “Miss Miller is so clever even when she is cursing others!”

Jasmine glanced at Neil. Initially, she thought that Neil would definitely speak up for her when he heard Gina slandering her. However, Neil did not say anything.

Jasmine was furious. However, she could/not flare up. She even started to blame Gina. “Miss Miller, can’t you talk kindly? Why are you beating around the bush and scolding me?”

“I’ll treat you the same way you treat me Gina was not hypocritical and could not pretend to be kind. Moreover, people who didn’t respect her still wanted to gain respect from her. Isn’t that an idiot?”

## Chapter 88

hu, 23 May

Neil took a deep breath and lectured Jasmine with a straight face, "You really shouldn't treat Gina with such an attitude. Do you know that after I drank your tonic and was sent to the hospital, many doctors were helpless? It was Gina who saved me. You should thank her. Otherwise, you wouldn't have been able to see me today!"

Neil didn't know whether Jasmine could understand his words. Jasmine didn't care much about him. Neil could tell. The girl had used some cheap tricks to please him. Her goal was to marry Gabriel. How could Neil not tell?

In the early years, Neil had also thought of being related by marriage to the Bush family.

## Chapter 89

It was rejected by Gabriel without hesitation.

At that time, Neil was still a little angry. He felt that Gabriel should consider his marriage. This matter made Neil

worry.

Ad Here

But it is a good thing that Gabriel had rejected it. Otherwise, Gabriel would miss such an outstanding girl like C\*\*a! Fate is really magical, Neil thought.

Jasmine was in disbelief. She thought, Did Neil mean that I should be grateful to Gina for helping me clean up my mess? This \*\*h is not worthy!

"Aren't you going to thank Gina? She helped you save me. Aren't you happy?" Neil asked.

Isaac covered his mouth and smiled. He thought, 'When does Neil become so sarcastic?'

Jasmine was very uncomfortable as if there was a thorn stuck in her throat.

Under Neil's gaze, she said reluctantly, "Miss Miller, thank you for saving Neil. Fortunately, with you, Neil can be healthy and safe. Neil is healthy and safe, which has always been my wish."

Jasmine didn't forget to express how much she cared about Neil.

Ad Here

About Jasmine's fake concern, Neil did not feel touched at all.

He knew what was true and what was false. Gina's concern for him was not expressed verbally, but she had always proved it with practical actions.

When he thought about how Gina had silently asked the Prover Hospital to provide him with good medicinal herbs but charged him at an ordinary standard, Neil felt a warm feeling in his heart.

Jasmine composed herself and continued to try to get close to Neil. "Neil, I'll stay for dinner today. Is that okay? Isaac saw me coming and instructed the nanny to cook more for me just like before," she said.

Jasmine stressed the words 'just like before'.

Isaac exposed her mercilessly. "Miss Bush, you asked for this yourself. However, I haven't instructed the kitchen yet."

Jasmine choked and clenched her fists in anger.

She pretended not to care that Isaac was exposing her. "Then I'll have to trouble Isaac to give the order now.

Isaac looked at Neil. "Mr. Jackson, do you want Miss Bush to stay for dinner?"

"She can stay

if she wants," Neil said.

Isaac was a little unhappy. He thought that Neil would not agree. Thinking about it, it should be because of the relationship between the two families that he did not want to argue with Jasmine.

"Okay, Isaac nodded.

"Neil, I haven't had dinner with you in a long time. After dinner, I'll play chess with you and practice painting, okay?" Jasmine said proudly.

Chapter 89

She continued, "Neil, can you help me take a look at some of the jewelry designs I've been designing recently? By the way, I won third place in the National Design League."

Neil was puzzled. "Didn't your family say that you came in second place?"

Jasmine felt a little awkward and she said, "At that time, the results hadn't been announced yet. My family guessed it."

Jasmine also felt that this was very strange.

She was sure that the news her family had heard was true. In the end, when it was announced, she was actually in third place.

"No, you don't have to accompany me. I don't plan to eat at home tonight." Neil rejected.

Jasmine was embarrassed and she said, "Neil, you're not eating at home tonight?"

She thought. Then what is the point of me staying in the Jackson family?"

"Yes, I want to treat Gina to a meal outside. Gina, call Gabriel and ask him to meet us after work," Neil looked at Gina and said happily.

C\*\*a was still a little confused. She asked, "Me? Should I make a call?"

Gina suddenly felt that if she were to make the call, the meaning of this meal would not be so ordinary. Moreover, Neil's tone made it seem as if they were family.

"That's right. Why don't you just send a message to him on WhatsApp? How was the s\*\*y wings last time? Are you satisfied with the environment of the private room? Do you want to go again?" Neil asked Gina about her preferences.

Jasmine thought, 'What? Neil actually brought this country bumpkin to such a high-end place for a meal?'

y angry. Neil didn't even invite her.

She was very

Gina had difficulty choosing. I'm okay with anything."

Neil said, "Let's pick as we go."

"Okay, Gina replied.

As Jasmine looked at the happy scene between the two of them, she felt as if she had become a part of the background.

She said indignantly, "Neil, then I don't want to stay here for dinner. I'll go with you!"

“It’s not suitable,” Neil rejected firmly. He wanted to tell Jasmine that there was their family banquet and she could not go with them.

Neil wanted to save some face for Jasmine. He hoped she could understand his words!

Unexpectedly, not only did Jasmine not restrain herself, she even started to get angry, “Why not? It’s because Miss Miller doesn’t want me to go with you two. I admit that I offended you just now, but I did apologize, didn’t I?”

“Miss Miller, tell me. What do I have to do to make Neil agree to let me follow you?”

Jasmine had never suffered such grievances since she was young. Her voice was mixed with sobbing.

It was as if the arrogant and domineering person was Gina, and she was the victim.

11:00 Thu, 23 May

Chapter 89

Gina said calmly, “You don’t have to do a thing. I’m indeed unwilling. It’s very abrupt and presumptuous for you to follow

“You... Jasmine gritted her teeth in anger. I know everyone in the Jackson family earlier than Gina. Why does everyone like her more than me?’ she thought.

Neil also said, “Isaac has already instructed the kitchen to prepare food for you, but you’re not eating anymore. Isn’t that a

waste?”

Jasmine was speechless.

“Let’s go then,” Neil cheerfully called out to Gina.

Gina suddenly thought of something.

“Neil, show me the box with the ring. How long can the herbs inside last?” she said.

Gina’s medicine land had been destroyed. She planned to find a new one to plant. She would first plant some medicine that was urgently needed, such as medicine for Neil’s heart disease and herbs to maintain the ring.

Coincidentally, Isaac returned after instructing the kitchen to prepare food. Neil asked Isaac to take out the box.

Jasmine, who was still angry and indignant, suddenly remembered that the box had been thrown into the trash can just now! For some reason. Jasmine felt guilty. However, she had only thrown it into the trash can. At most, she could just pick it up. However, she still felt that Neil would be angry.

She bit her lip and thought, 'T'd better leave as soon as possible. After all, no one saw me throw it at that time.'

Jasmine looked up I'm

and said to Neil, 'Neil, since you're going out to eat with Miss Miller. I won't disturb you any 1 going home. I'm sorry for making the kitchen work for nothing.'

Chapter 90

At this moment, Neil felt that Jasmine had an upbringing.

"Alright," Neil said calmly.

Jasmine let out a sigh of relief and quickened her pace.

Isaac hurriedly walked out of the study. When he saw that Jasmine was about to leave, he stopped her, "Miss Bush, did you take the box with the ring? You were the only one who entered Mr. Jackson's study and touched the box.

Jasmine's heart s k i p p e d a beat. She thought, D a m n it, I still leave too late

She turned around and pretended to be calm. "Isaac, are you kidding me? Did I take the lousy box? What's the use of an empty box? Besides, at that time, I was just curious about what was inside. Didn't you take it and put it away! You forgot where you put it, right?" Jasmine tried her best to hide her guilt.

Isaac was very certain. "I took it away and put it in the drawer. I remember it very clearly. I didn't forget it, but I wanted to take it just now and realized that it wasn't there. Miss Bush, if you took it, take it out. Didn't you also say that it's useless even if you take that box? Why did you take it away?"

"I told you, I didn't take it. Why? Do you want to search me?" Jasmine realized that the box wasn't with her anyway, so she felt confident.

Jasmine looked at Neil aggrievedly, "Neil, you don't believe me either?"

"We'll know once we see the surveillance footage, Neil said straightforwardly.

Ad Here

Jasmine panicked. She thought, "If Neil wants to see the surveillance footage, wouldn't that prove that I am lying?"

Jasmine said anxiously, "I remember now! I think I accidentally threw it into the trash can! I didn't know it was from Miss Miller. I thought it was useless.

Jasmine's lies were so clumsy that Isaac wanted to laugh. "Miss Bush, I've told you clearly that it was Miss Miller's birthday gift to Mr. Jackson. Besides, you accidentally threw it into the trash can. How careless must you have been to throw the things in the drawer into the trash can?"

Neil frowned. This was the first time he had lost his temper at Jasmine, Jasmine, you're too much!"

Jasmine bit her lip, her eyes filled with panic. "Neil, don't be angry. I'll go pick it up!"

However, Isaac said, "There's no need to go in to pick it up. The trash can was cleaned up by the nanny just now and thrown into the trash can outside. Just as Isaac entered the study to get the box.

Jasmine's face turned pale, "Then... Then what should I do?"

"What should you do? Of course, you should go to pick it up," Neil said coldly..

She thought, "Isn't that asking me to find it from the trash can?"

"Me? I'll go?" Jasmine asked.

She thought, 'Can't someone else go? How could I, a rich young lady, look for it from the trash can?' Jasmine was on the verge of tears.

Chapter 90

"You threw it. Of course, you should pick it up. Neil said mercilessly.

Jasmine sobbed. "Okay..."

Jasmine asked a s e r v a n t for a pair of gloves and walked out of the door in humiliation. Neil had to personally supervise her as she picked up the box.

However, when she walked to the trash can by the roadside, she realized that it was empty.

“What’s going on?” Jasmine was confused.

The nanny came out to take a look. “The garbage truck must have hauled it away.”

Jasmine’s expression froze. “What?”

She thought. Wouldn’t that have been shipped to the dump? I can’t get it back.

Jasmine saw Neil’s gloomy expression and gritted her teeth. She said to Gina reluctantly, “Miss Miller, how much did you pay for that box? Where did you buy it? I’ll buy one and give it to Neil. It turns out that even if I get it back, it’ll be dirty. Just throw it away.”

“You think you can just throw away my things?” Neil was obviously angry. He was quite angry.

This was the first time Jasmine had seen Neil so angry. She was scared to tears.

Gina said calmly. “The box is not important. What’s important is the medicinal herbs inside.”

“Where can I buy the medicinal herbs? I’ll go buy them!” Jasmine said anxiously.

“You can’t buy them.” Gina said indifferently. Her medicine land had been destroyed and she couldn’t supply it for the time being. Where could Jasmine buy it from?

“How is that possible? No matter how expensive it is and how difficult it is to find it, our Bush family can still buy it! N deliberately refusing to tell me and making things difficult for me?” Jasmine was displeased.

Seeing that Jasmine was unrepentant and continued to disrespect Gina, Neil was extremely angry, “I don’t need a new one. I want the original one. C i n a gave it to me for my birthday. It means a lot. Since you threw it away on purpose, you have to take responsibility for this matter to the end!”

Gina saw that Neil was agitated and said, “Neil, don’t be angry. It’s bad for your health.”

This was especially true for patients like Neil who had heart disease. They could not be angry.

Upon hearing Gina's words, Neil nodded. "Alright, alright, alright. I'll listen to you. I won't be angry."

Jasmine thought, "What a scheming woman! When Neil is angry with me, she deliberately says this to make it seem like she cares about Neil!"

Jasmine had no choice. "Okay, I'll look for it back... Neil, don't be angry. I won't be so willful in the future!"

Neil pulled a long face and did not say a word. Jasmine had crossed his bottom line. He was too disappointed in her.

The nanny contacted the garbage truck driver and asked which dump the trash had been transported to

They arrived at the dump.

## Chapter 90

The staff pointed at a large pile of trash and said. "The trash I collected from your house today is all poured here. If you want to find something, you might need to spend some effort. If you need help, you can inform us. There's a fee."

Jasmine looked at the pile of trash and wanted to cry. "Neil, can I ask them to help me find it?"

Neil's face was cold. "If you didn't throw it away, would this have happened? Jasmine, you're not a child anymore. An adult has to be responsible for what he has done. If you're sincerely repenting, prove it with your actions.

It meant that she was not allowed to ask anyone else for help and had to find it herself.

Jasmine wanted to cry. She glared at Gina, who was standing beside Neil. The look in her eyes was as if she wanted to kill Gina. She thought, "It is all Gina's fault! I would not let Gina off. I wanted to kill her!"

Jasmine was filled with anger. She braced herself and walked towards the pile of smelly trash.

As soon as she got close to the trash, the stink filled her nose.

She immediately retched and thought, "It is too disgusting, too disgusting! She didn't want to pick it up!"

Jasmine turned around and realized that Neil was looking at her. She had no choice but to suppress her disgust and rummage through the trash. From time to time, she would retch. She couldn't hold back and tears rolled down her face.
